The Curriculum at IIM Calcutta is best suited for people wanting to pursue career in Finance, but word of caution: You don't buy your right to have a career in Finance once you enter the college, you have to earn it. The Professors are the best in their respective fields. In short time you disbelievably gain many skills. It is a rare to find a top league school which treats you more like adults rather than students at a Boarding School.

Below this is a search bar with a location dropdown set to 'All of Delhi NCR', a search input field containing 'restaurant, cuisine or dish...', and a red 'SEARCH' button. Below the search bar, it says 'AVAILABLE IN 19 COUNTRIES' followed by a row of 19 country flags. At the bottom, it states '35 MILLION FOODIES USE ZOMATO EVERY MONTH'.
