“In the fast evolving internet based start-up eco-system, we are a seasoned player who knows what it takes to build leading brands.”

“Our flagship brand – naukri.com – registered strong growth numbers with revenue from recruitment solutions growing by a little over 19%. It has emerged as a clear leader with over 70% traffic share by the end of FY2016. The Company continues to leverage the cycle of profitable growth that such leadership brings.”

“As you are aware, the real estate space saw large investments and new entrants with innovative products during the first half of FY2016. By the end of FY2016, a smaller number of players has clearly emerged as competitors vying for leadership. Importantly, amongst them, 99acres has garnered the largest pie of 40% plus steady traffic share over the last quarter of FY2016.”

“We have been focusing on niche positioning for our brands with models that specifically address the nuances of the market. However, while we remain focused on optimising our return on investments, we realise we have to keep investing in our brands to remain competitive.”

Dear Shareholders,

You would recall that in last year's letter to you, I had written, "Today's excitement in India's digital economy is well founded. However, having been in this business longer than most others, there are reasons to believe that the present phase of aggressive investments will last for a while — and then move on to a phase of consolidation. In the process, the industry will go through a churn". While I am not and do not want to portray myself as a soothsayer, but this is essentially the storyline along which FY2016 unfolded for many internet based businesses in India.

It is now well established that internet driven businesses have huge potential in India. The pace of internet penetration in the country continues to be rapid. After the first 100 million users came on stream in the first decade of this millennium, the next 100 million were added in four years — between 2010 and 2014. In 2015 alone, another 100 million has been added. The trend is expected to continue in 2016 and by the end of the calendar year one expects 500 million internet users in India — that is a large market that could be serviced through various ways to create value.

The global investor community certainly recognised this rapid transformation of a large part of India into a digitally networked community. This business space had started attracting foreign investments since a few years back, but from the beginning of 2014 the internet based start-up ecosystem in India witnessed frantic activity. Some of it was also driven by global cues that signalled a move to investments in this space in the western world. The heightened activity continued till the middle of 2015 — a one and a half year period of massive buoyancy in terms of capital flows into the digital business industry in India. Investors from across the globe, were trying to enter or stay in India's consumer internet space. Consequently, expectations and valuations reached

unjustifiably high levels. In a sense it was the party you were willing to buy a very expensive ticket to. As predicted, this scenario did not last long.

By the middle of 2015, veteran investors, venture capitalists and hedge fund investors started questioning the fundamentals of many of the internet based business models and their ability to sustain the high valuations they had garnered. The correction in the market place was firmly established when certain big brands saw considerable value erosion in additional rounds of funding. While valuations are a way to gauge a company's worth, they tend to go through cycles, sometimes swayed heavily by investor sentiment.

At Info Edge, we have always tried to focus on business fundamentals and stayed away from market sentiments. However, this phase of easy access to capital created a culture of pursuing high growth with very high levels of cash burn in the industry. This external environment did have an adverse effect on the way we conducted some of our businesses. Essentially, it pushed us to making heavy investments to stay tuned in the race for market leadership, some of which we may not have done in the normal course of business growth. For Info Edge, this had a bearing primarily for 99acres.com — our online real estate business.

Today, while raising capital has become more difficult than in the last couple of years, it is important to understand that money has not suddenly dried up. There is still a large tranche of capital that investors intend to deploy. However, what has changed, is the filter employed by them. Today, it is not only about growth. It is about profitable and sustainable growth. The cash burning scenario is gone and investors want to ascertain that the businesses can scale up in a sustainable manner showing a clear path to profitability and exit for them. Interestingly, this is exactly in line with our internal philosophy of investments at Info Edge that we have deployed over the years.

So, how did we fare in this hectic year of fluctuating fortunes for the internet based industry in India?

Our flagship brand — naukri.com — which is the backbone of the Company registered strong growth numbers with revenue from recruitment solutions growing by a little over 19%. Naukri.com has emerged as a clear leader in its market

space with over 70% traffic share by the end of FY2016. The Company continues to leverage the cycle of profitable growth that such leadership brings with itself. Having said so, it is important to note that we continue to deploy resources and exert considerable effort to maintain and further establish our leadership position. Constant efforts are on in product development, sales, marketing and generation of customer insights. In fact, the total number of customers serviced increased from 57,000 in FY2015 to 61,000 in FY2016.

In terms of new developments, the referral hiring platform was converted to a paid product and the referral site for corporate customers was launched. Today, we have over 350 customers using it. In addition, the value added Career Site Manager offering with a presence on the Cloud platform has been very well accepted in the market with sales to over 1,600 companies in FY2016. Newer features added have resulted in realization doubling per customer. Over all, our focus on continuous improvements in the product and services continues to pay dividend.

As you are aware, the real estate space saw large investments and new entrants with innovative products during the first half of FY2016. Competition was intense. Given our philosophy of establishing market leadership, we had to increase our investments in product development, sales distribution and marketing activities to keep up with competition. Cash burn increased significantly during this period. Consequently, even as revenues grew by over 10% during FY2016, operating losses grew over 2.5 times and touched around ₹(911) million during FY2016. The positive development was the correction in terms of investments in the business space that happened during the second half of FY2016. With cash raising capacity drying up, the froth in the market cleared up and one went back to a more steady state of market competition. By the end of FY2016, a smaller number of players have clearly emerged as competitors vying for leadership. Importantly, amongst them, 99acres has garnered the largest pie of 40% plus steady traffic share over the last quarter of FY2016.

As the year progressed, cash burn in 99acres has also steadily come down. In Q1, FY2016 the losses were around ₹347 million, while in Q4, 2016 it has reduced to ₹114 million. Essentially, while our investments in improving customer experience and meeting customer needs continue, spends on sales and marketing have reduced. We believe that there is potential in supplementing a lot of the offline activity in this space with complementary online

services. We did notice that there were several products introduced in FY2016, which seemed to be technologically superior but did not bite much grass with customers. Consequently, our focus is on developing products that solve specific problems that are identified through extensive research on understanding customer needs. The Real Estate market however continues to be sluggish and demand for new homes especially in markets like Noida, Gurgaon, and Hyderabad continue to be weak, Mumbai and Bangalore are slightly better but everywhere unfinished projects and inventory overhang continues. Under these conditions, the business strategy is about developing a platform that becomes engrained as a market leader and can see explosive growth once real estate markets recover.

“The Real Estate market continues to be sluggish. Everywhere, unfinished projects and inventory overhang continues. Under these conditions, the business strategy is about developing a platform that becomes engrained as a market leader and can see explosive growth once real estate markets recover.”

Shiksha and jeevansathi have also gained some traction. Shiksha is going through its normal course of evolution in a steady manner and establishing several touchpoints that can be effectively monetised and scaled up in the future. At jeevansathi, too, this year we made some marketing spends and revitalised the brand. We continue to emphasize on building this as a product that addresses niche needs of specific regional communities in India. On both these businesses, we are focusing on improving customer experience and better targeting through the use of analytics.

These businesses contributed to a little over 18% growth in revenues on a stand-alone basis. EBIDTA margins reduced due to the heavy investments in people and marketing initiatives, which we account for in operating expenses. As a result, profit after tax (PAT) reduced by 27% to around ₹1416 million.

“We had ventured into making strategic investments in investee companies to further enhance our portfolio in the digital business space in India. We believe that each such new business has its specific DNA and core competency that is seen in the team of entrepreneurs that have started it, and we play a role of supervising investors”

While the businesses in the stand-alone portfolio have a commonality in terms of developing platforms for bringing buyers and sellers together and monetisation through promotion of online classifieds, we had ventured into making strategic investments in investee companies to further enhance our portfolio in the digital business space in India. We believe that each such new business has its specific DNA and core competency that is seen in the team of entrepreneurs that have started it, and we play a role of supervising investors giving them the freedom to build on their concepts.

During FY2016, we invested about ₹2,302 million in our portfolio of investee companies including ₹1,554 million in Zomato in April 2015 and Rs.250 million in Applact. We also added three new companies to our portfolio - Mint Bird, Rare Media and Green Leaves. I urge you to read the details of these investee companies, which are extensively covered in the chapter on Management Discussion and Analysis, the business that has a major effect on our consolidated results is zomato.com.

Zomato, the online restaurant discovery and ordering business, recorded a 91% increase in revenues to ₹1,850 million in FY2016. However, given the investments, the EBITDA level loss was ₹(4410) million. After a phase of frantic cash raising and investments, the Company has revised its business plans with a focus on reducing cash burn. This includes rationalising manpower and marketing spends. Also, given its global push, the Company has now decided to focus on only 14 countries, while managing operations on the others efficiently from India. Both, the trend in increased revenue growth and reduced cash burn is in the right direction – Q4, FY2016 revenues was a third of annual revenues, while Q4, FY2016 cash burn was

only 15% of annual cash burn. We believe it is well positioned to improve its business fundamentals with a business strategy that is more capital efficient.

In the internet space, our focus has always been to establish leadership. It is clearly ‘a winner take all’ business – Gmail in email, Facebook in social networking, Twitter in microblogging, YouTube in video, all have a market share in excess of 80%. Also, in India it is an industry with one of the least barriers to entry. We have to prepare ourselves to compete with global majors. Hence, our products, our delivery mechanisms, our technology and our value propositions have to be tuned to be optimal at global levels. After all, in this space competitive threat has come in from none other than amazon and Alibaba – both global giants. We are aware of this, and have been focusing on culling out niche positioning for our brands with models that specifically address the nuances of the market where we operate. We have also taken our model of naukri to naukri.gulf and zomato has also gone global. It is important to appreciate that once such a global perspective is built into a business, while scale of operations and revenues grow, profit margins start to stabilise. While we remain focused on optimising our return on investments, we realise we have to keep investing in our brands to remain globally competitive even if our market is primarily in India.

Let’s face it, there are so many Indians who pad up every day for a game of cricket, but only a handful become world beaters like Sachin Tendulkar, Virat Kohli or Mahendra Singh Dhoni. For these greats, every day of their career was a step in pursuit of greater excellence, and that is what Info Edge is about. In the fast evolving internet based start-up eco-system, we are in essence a seasoned player who know what it takes to build leading brands, while we continue to strive to be a step ahead of others.

Best Regards
Hitesh Oberoi

THE COMPANY'S FUNDAMENTAL BUSINESS ETHOS

In Financial Year (FY) 2016, as the digital business space started coming of age in India, Info Edge competed and overcame strong challenges in the market and further cemented its leadership position across its brands by adopting a strategy development and execution path based on certain fundamental business principles.

1

FOCUS ON OPTIMISING CAPITAL EFFICIENCY

Maximising margins and operating leverage and stressing on capital efficiency to build business models that provide strong cash accretion.

2

EMPHASIS ON CREATING MARKET LEADERS

Most strategic decisions and investments are tuned to establish leadership in the market for all the Company brands.

3

CREATING UNPARALLELED CUSTOMER EXPERIENCE

Recognising the need for proper off-line support to strengthen each of the brands.

4

EMPHASIS ON 'CONTINUOUS INNOVATION'

to create market differentiation in a competitive market place through its experience and knowledge developed over the years.

management discussion & analysis

overview Incorporated in 1995 and publicly listed in 2006, today, Info Edge ('the Company') is clearly a stalwart in the Indian internet based business space. The Company has gathered rich experience in its business domain having first nurtured and developed India's leading online recruitment business – naukri.com; extending its offerings in the 'online classified' space by developing strong brands like 99acres.com (online real estate), jeevansathi.com (online matrimony) and shiksha.com (online education information services); and today having a wide portfolio of offerings in the technology driven space that creates value by solving specific problems for customers including policybazaar.com (online insurance) and zomato.com (online restaurant classifieds and food delivery business) and few others.

While developing and diversifying its business portfolio, Info Edge continues to focus on certain fundamental business ethos.

FIRST, there is focus on optimising working capital cycles, maximising margins and operating leverage, and stressing on capital efficiency to build business models that provide strong cash accretion. Consequently, even after adopting a high investment led business path especially in the last few years, as of March 31, 2016, the Company has 55% (₹ 10.96 billion) of its assets in cash and cash equivalents (FD in Banks, Investment in Debt MF & FMP), while 86% of its liabilities are in terms of equity, only 14% is current liabilities and provisions and negligible debt.

SECOND, there is emphasis on creating brands that are market leaders. Most strategic decisions and investments are tuned to establish leadership in the market for all the Company brands that are directly in the Company's business portfolio or indirectly held through investments into investee companies. While the internet based business landscape provides several opportunities, it is also very competitive and establishing market leadership is the core to creating long term value propositions. Info Edge believes that in the long run only market

leaders survive to reap benefits of the value a particular service space offers to its participating companies. Today, in its own portfolio – naukri, 99acres and shiksha, and amongst investee companies – zomato, policy bazaar, meritnation, mydala and canvera – are clear market leaders in terms of traffic share.

THIRD, while creating unparalleled customer experience, through the digital medium, is at the core of each of the businesses, Info Edge also recognises the need for proper off-line support to strengthen each of the brands. This includes activities like promotions through other channels, sales and distribution, customer service, logistics and delivery support. In fact, today, Info Edge has 64 company branch offices across 44 cities in India. Around 2,866 or 68% of the Company's entire workforce is involved in activities focused on sales and service.

FOURTH, the Company continues to emphasise on 'continuous innovation' as its core mantra to create market differentiation in a competitive market place. In the internet based business space most competitors also have a large focus on innovation but many lay emphasis on particular aspects of innovation that rely mainly on the product. Through

its experience and knowledge developed over the years, Info Edge has evolved a holistic approach to innovation that extends from methodologies to understand customer trends, forecast developments in technology, develop cutting edge products that address well targeted customer needs, enhance and create brand recognition and identify solutions for the future.

Executing such a business philosophy involves striking a fine balance between optimising the present and investing in the future. To fulfil this, Info Edge continues to focus on executional excellence concentrating on operational efficiencies and cost management, while making investments in people and technology for future growth. Adopting a strategy development and execution path based on these principles, in Financial Year (FY) 2016, as the digital business space started coming of age in India, Info Edge competed and overcame strong challenges in the market and further cemented its leadership position across its brands.

business environment

THE INDIAN DIGITAL ECONOMY

In FY2015, one had observed that the critical inflection point had been breached for internet and mobile usage in India. The rapid growth of penetration of digital connectivity continued in India during FY2016. According to findings in the 'Internet in India 2015' Report released by the Internet and Mobile Association of India (IAMAI) and IMRB International, in October 2015, 317 million Indian users accessed Internet. Of this, urban India accounts for 209 million users out of an overall urban population of 414 million people, while rural India accounts for 108 million users out of an overall population of 922 million people. This is approximately around 25% of the country's population.

According to the report, India's internet base would grow by 49% in 2015 is expected to reach 402 million by December 2015, making it the world's second-largest Internet user base overtaking the US. China has the largest Internet user base, with over 600 million users. The report estimates that by June 2016, India will have 426 million users. The rapid pace of penetration is an interesting story - It took 10 years for India to get to the first 10 million users and another decade to hit the

first 100 million. The next 100 million has been added in four years —between 2010 and 2014. The next 100 is added in 2015 alone, and one expects this pace of penetration to continue for a few more years. However, while the initial phase of growth relied almost completely on English as the language medium, the next phase will require more localised content even at times in the local regional languages.

Chart A traces the growth of internet users in India since 2012.

A major transformation in internet usage in India and one that has brought about the rapid penetration was the move away from static connection platforms to mobile ones using hand held devices. This change has been dramatic, and the trend continued in FY2016. The mobile internet user base reached 306 million by December 2015, and is expected to touch 371 million users by June 2016, a rise of 21% in six months. Urban mobile Internet users are expected to constitute about 71% of this number, with 262 million users, while rural India is expected to have 109 million mobile internet users by June 2016. It has also been observed that the share of mobile Internet spend in the average monthly bill of users rose to 64% in 2015 from 54% in 2014. However, the average monthly bill fell nearly 18% to about ₹ 360, which is attributed to the fact that the consumers engaged more through data for connectivity and minimized their money spent on voice. **Chart B** plots the rapid rise in mobile internet usage in India.

Since the middle of 2014, it seemed that the Indian Internet ecosystem had finally come of age and the global investment community started paying heed to India's emergence as a significant internet based economy. Initially, the investment drive came from large international firms such as Tiger Global from New York, Softbank from Japan, and Alibaba from China. Taking cue from them, the Indian investors followed suit and by the second quarter

A major transformation in internet usage in India and one that has brought about the rapid penetration was the move away from static connection platforms to mobile ones using hand held devices. This change has been dramatic, and the trend continued in FY2016.

of 2015 investment activities hit a major high with most entrepreneurs turning to internet based businesses and being supported whole heartedly by the investment community. The focus was on building business models that solved any problem using the medium of the internet, and fund raising, which was historically very difficult in India, became a very simple process. In a sense, 'irrational exuberance' set in and valuation expectations from entrepreneurs became staggeringly high. This phase is very common to any such sunrise industry that gets acceptance of global investor. However, the euphoria has not lasted for long, which is good for serious players in the industry. It has taken a few quarters for investors to recalibrate their strategies and re-focus on business fundamentals. By the beginning of 2016, the most important adjustment that has happened in the industry has been a moderation of expectations both from entrepreneurs and investors. The 'irrational exuberance' has died down but the immense potential for value creation in the sector remains to be tapped.

India still has a large number of basic, interesting, and uniquely Indian problems yet to be solved. And,

technology, specifically mobile and Internet, offers immense scope to be leveraged to solve hitherto hard-to-solve problems like making payments easier, aggregating unorganised markets or verticals, or using data analytics to make services and products more targeted. The number of active smartphone and Internet users have increased more rapidly than most expected. Still, the majority of the Indian population of 1.25 billion doesn't have access to basic and reliable Internet. With Internet giants like Google and Facebook, as well as local players like Reliance launching different initiatives to bring the next billion online, the market scope can become significantly larger.

An important point to note is that in India, the regulatory barriers in this industry are almost non-existent, internet content is still mostly in English and the Government has not been able to control digital media proliferation. While this is good for the consumer, Indian players who operate in this space has to deal with global players like Amazon, Google or Alibaba as just another competitor. This is very different from the way the internet industry has grown in China. In fact, the Chinese have built their businesses without much global competition

– that half-trillion dollar market cap came much easier, after much government protection. There are significant regulatory, political and language barriers for non-Chinese internet firms to win in China.

Given that the nature of Internet businesses is largely a winner-take-all in any niche, Info Edge has always focused on establishing leadership in whichever market it operates. Global examples show that the market share that Google ended up with in search, Gmail in email, Facebook in social networking, Twitter in microblogging, YouTube in video are all well above 80%. So, having carefully identified a niche, one has to either end up the leader with 80% of it, or a distant number 2 with 8% of it or a non-player with 0.8% of it. This is where the chips largely tend to fall – though there are a few exceptions.

Consequently, even after having established a leadership position in its main business domains, Info Edge lays continuous emphasis on promoting innovation and makes investments in branding, people, product development and processes to

maintain their leadership position and defend markets. The focus is on building businesses that have defensibility, sustainable competitive advantage, and an ability to make healthy profits in the long term. The Company has been leveraging its experience in the Indian market over a period of time to understand and appreciate the nuances of problems in India and developing solutions and business models that are uniquely Indian. Some of these models have been replicated in niche global markets as well like with naukri.gulf and by zomato. Now that the Indian internet market has become large enough for global players to make a meaningful entry, domestic leaders like Info Edge have to strike a fine balance between maximising profits today and making investments to protect its leadership position in the long run. In terms of financial results, this also means that high quality execution will lead to revenue and profit growth but operating margins will in all probability be lower than what one saw in the earlier phase of growth of successful Indian internet companies.

MACROECONOMIC DEVELOPMENTS

The global macroeconomic landscape is currently going through a rough and uncertain terrain characterised by weak growth of world output. Even in these trying and uncertain circumstances, India's growth story has remained largely positive on the strength of domestic demand. India's economy accelerated in the March quarter of FY 2016 to grow at 7.9%, buoyed by improved agricultural performance and growth in consumption. In fact, private final consumption expenditure in real terms grew by 7.4% in FY 2016 against 6.2% in FY 2015.

CHART C INDIA'S REAL GROWTH PARAMETERS [%]

CHART D INFLATION (CONSUMER PRICE INDEX) [%]
Source: CSO, Government of India

For India, other macroeconomic parameters like inflation, fiscal deficit and current account balance have exhibited distinct signs of improvement. Wholesale price inflation has been in negative territory and the consumer prices inflation has declined to nearly half of what it was a few years ago.

Chart C shows the positive trend in real Gross Value Added (GVA) growth over the last 4 years including sectoral performance. GVA adjusted for taxes on products including import duties and subsidies gives GDP.

The good news is that high job creating industrial sector grew 7.4% in FY2016 compared to 5.9% in FY2015, and the services sector continued to grow by a respectable 8.9% in FY2016. Additionally, for India, the other macroeconomic parameters like inflation, fiscal deficit and current account balance have exhibited distinct signs of improvement. Wholesale price inflation has been in negative territory for more than a year and the all-important consumer prices inflation has declined to nearly half of what it was a few years ago. As **Chart D** shows, compared to 10.9% CPI inflation in 2013, the level was down to 5.9% in 2015. With inflation under control, the Reserve Bank of India (RBI) has eased monetary policy and reduced the benchmark repo rate in three instalments by a total of 100 basis points. Consequently, lending rates have reduced marginally. The base rate for scheduled commercial banks, which was 10.25% in 2013-14 has reduced to 9.7% by the end of Q3, 2015-16. Having said so, interest rates need to come down further to really bolster investments.

While there is much to cheer, there are also certain concern areas. Weak growth in advanced and emerging economies has taken its toll on India's exports. In fact, exports reduced by 5.2% in real terms over FY2016. Thankfully, imports have also declined, principally on account of reduced prices of crude oil for which the country is heavily dependent on imports and, hence, the trade and current account deficits continue to be moderate. Savings and investment rates are showing hardly any signs of revival. The rupee has depreciated vis-à-vis the US dollar, like most other currencies in the world, although less so in magnitude. At the same time, it has appreciated against a number of other major currencies.

ENTERPRISE STRUCTURE AND BRAND PORTFOLIO

Info Edge's businesses have evolved over time and the enterprise structure has moulded to support these developments. Today, the Company has a group of brands managed and nurtured by its own organisational team. The performance of these entities have a direct impact on the stand-alone results of the Company. The brands that constitute the stand-alone entity is given in **Box 1**.

Each of these businesses are at different stages of their product life cycle and hence have their distinct impact on financial performance. The Company's established flagship brand is *naukri.com*. It is a clear leader in the Indian online recruitment business space and continues to generate healthy cash for the Company. The online real estate classifieds brand – *99acres.com* – has started to

grow and reached a materially significant size in terms of revenues. With heavy investments coming into the sector, the brand had to operate in a fiercely competitive market till the middle of FY2016. Since then, with some corrections in valuations, the overheated activities in the segment has died down but competition remains strong. This is where most of the Company's investments have been made in FY2016 and it is well positioned to break through and establish strong market leadership. Till the break-out is achieved, one expects most cash burn for the standalone entity to happen around this brand. The other businesses – online matrimonial classified under jeevansathi.com and online educational classifieds under shiksha.com – are still smaller businesses. Although they are gaining traction, the focus has been to consolidate these brands and steadily establish their market presence.

From a reporting perspective, considering the changing trend in scale of operations in some of

the service verticals, the management has started monitoring the performance of each of these verticals on regular basis with effect from quarter ended June 30, 2015 and therefore these have been considered as reportable segments under Accounting Standard 17 on Segment Reporting. The reportable segments, at a consolidated level, represent "Recruitment Solutions", "99acres", "Online Restaurant Discovery" and the "Others" segment which comprises primarily Jeevansathi and Shiksha service verticals since they individually do not meet the qualifying criteria for reportable segment at a consolidate level as per the said Accounting Standard. **Chart E** Gives the relative shares of these segments in Company's total consolidated revenues for FY2016.

In addition to these businesses, recognising the basic entrepreneurial instinct driven characteristics of the online business space, Info Edge has utilised cash generated from core business to provide capital to investee companies as equity

contribution. These companies are typically spearheaded by a team of individuals who formulated the basic business idea and initiated its execution. Here, Info Edge plays a more supervisory role as the incubator and developer of an external business concept. Although there are extensive sharing of experience and support in continuously realigning business plans, final decisions and transactions are maintained on 'arms-length' basis.

The investee company portfolio and Info Edge's exposure to these businesses are given in **Table 1**. It is important to understand that for Info Edge, these investments are expected to generate returns over a period of time from the value accretion of their shares. Essentially, the focus is on enhancing their business valuations, which goes through various phases of growth and requires further periodic capital infusion. The Company consciously evaluates the impact of such infusion on Info Edge's own financial position and takes strategic positions on partnering other investors and also at times diluting its own stake. Consequently, it must be noted and as reflected in table 1, that Info Edge has only a proportion of interests in the total valuation of an investee company as reflected in the percentage holding on fully diluted basis.

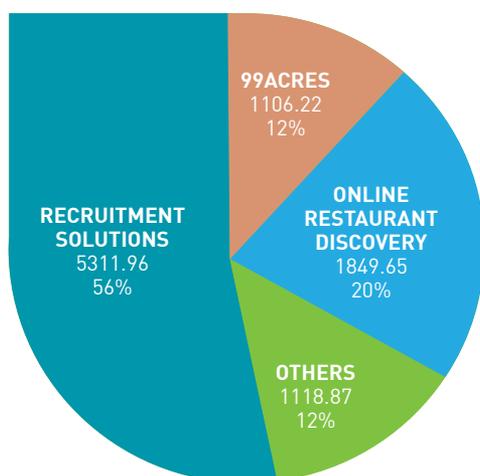

companies including ₹ 1,554 million into Zomato in April 2015 and ₹ 250 million into Applet that runs meritnation.com during May 2015. The Company also added three new companies to its portfolio – Mint Bird, Rare Media and Green Leaves – for an investment of ₹ 198 million in total.

In order to further streamline its strategy of investing into investee companies with partners, the Company has created a layer of step down subsidiaries where the investments held in the parent company have been transferred. The specific transactions are:

- transferred its investment in eTechaces Marketing & Consulting Private Limited (EMCPL) to its subsidiary Makesense Technologies Limited (MTL)
- transferred its entire shareholding of Canvera Digital Technologies Private Limited to its subsidiary Smartweb Internet Services Limited .
- transferred its entire shareholding of Happily Unmarried Marketing Private Limited to its wholly owned subsidiary Startup Investments (Holding) Limited at book value.
- transferred part of its share holding of Applet Learning Systems Private Limited to its wholly owned subsidiary Startup Investments (Holding) Limited at book value.
- transferred part of its share holding of Kinobeo Software Private Limited to its wholly owned subsidiary Startup Investments (Holding) Limited at book value.
- transferred 1000 preference shares of Smartweb Internet Services Limited to its wholly owned subsidiary Startup Investments (Holding) Limited at book value.

It is important to note, that the investments into these investee companies are subject to various shareholder agreements with the entrepreneurs initiating these ventures and the co-investors as one progresses with different rounds of funding. Consequently, there may be further agreements which have/ may have clauses like seniority of investor, ESOPs criteria, or performance based dilution that may make the actual proportion of Info Edge's share in the valuation of any investee company lower than what is stated as shareholding/economic interest today.

However, Info Edge now has a small stake in policybazaar, so developments in this business has lower material significance to Info Edge. During FY2016, the Company invested a total of about ₹ 2,302 million into the portfolio of investee

Standalone Performance Highlights

- Net Sales increased by 18.3% to ₹ 7,235 million in FY2016.
- Operating EBITDA decreased by (12%) to ₹ 1,578 million. This decrease is primarily due to large investments in operating overheads for certain developing brands resulting in 27.3% increase in employee costs and 56.7% increase in advertising and promotion costs. Consequently, operating EBITDA margin reduced from 29.3% in FY2015 to 21.8% in FY2016.
- PBT from ordinary activities decreased by (22.2%) to ₹ 2,082 million.
- PAT decreased by (27%) to ₹ 1,416 million.

The Board of Directors declared a financial dividend of 30% during FY2016. This includes an interim dividend of ₹ 1 per share declared in November 2015 and ₹ 2 per share declared in March 2016.

The transfer of half of investments in eTechaces Marketing and Consulting Private Limited (EMCPL) to its subsidiary Makesense Technologies Limited (MTL) for a consideration of ₹ 513.39 Mn resulted in a profit of ₹ 341.60 Mn, which has been adjusted under exceptional items in FY2016. The transfer of several investments into wholly owned subsidiaries were undertaken in FY2016 to bring in greater flexibility in structuring investments into these businesses. Consequently, other current assets on the balance sheet, increased from ₹ 610 million in FY2015 to ₹ 1,748 million in FY2016.

In the next section, the businesses under the standalone operations is explained in detail.

INTERNAL BRANDS UNDER STAND-ALONE ENTITY

RECRUITMENT SOLUTION

The recruitment solutions business is built around naukri.com and comprises the following portals:

- **naukri.com:** This is the Company's flagship brand and India's largest online jobsite.
- **quadrangle.com:** This is primarily an off-line headhunting business that derives revenues from successfully positioning a person with a company.
- **naukrigulf.com:** This is a jobsite that focuses on the middle-eastern market.
- **Firstnaukri.com:** This site focuses on entry-level jobs.
- **Fast Forward- Candidate services:** A fraction of the individuals who visit our site opt for value added services like getting their resume written professionally amongst other services.

Recruitment solutions, which is the Company's core business continued to deliver strong results in terms of growth in revenues and profits as indicated in **Box 3**.

It has two major sources of revenue:

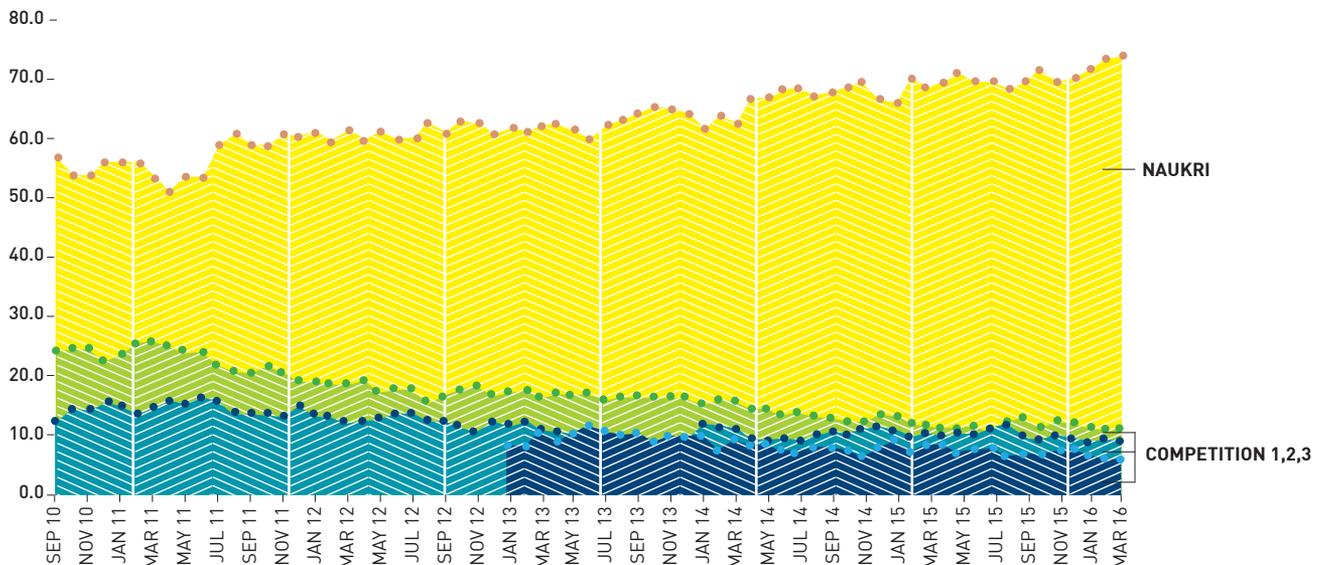

(i) from recruiters, which accounts for around 90% of revenues. The different elements include job listing / response management; employer branding / visibility, and others, such as résumé short listing and screening, career site management and campus recruitment, and non-recruitment advertising other than for jobs; and

(ii) from job seekers, which relate to all job seeker advisory services

The key to naukri's success has been its ability to establish and enforce its leadership position in the market. Leveraging its dominant position the brand benefits from the virtuous cycle where it gets the most clients because it has the most jobs listed — this is possible because it has the most traffic which, in turn, is due to getting the most response that, then, further acquires more clients.

Chart F plots the traffic share for naukri since 2010 for non-mobile internet, and one can see the steady growth, from levels around 50% in FY2011 to the levels above 70% seen in FY2016. **Chart G** plots more recent data of traffic share for mobile internet. Here, too, naukri has a dominant share of over 70%. This emphasises the brand's clear leadership position in the Indian market. The primary usage parameters also highlight the continuous growth of naukri.com.

- Operating EBITDA for FY2016 was ₹2,846 million.

- Number of résumés in naukri.com's database increased by 12% — from around 41 million at the end of FY2015 to around 46 million at the end of FY2016.
- Number of unique customers grew by 7.7% — from 57,000 at the end of FY2015 to 61,000 at the end of FY2016.

Naukri’s business is being pursued on a four-pronged strategic thrust.

First, is the focus on introduction of new products for recruiters. This includes career site manager, response management tools and applicant tracking system; employee referral tool and recruiter profile. The career site manager has gained reasonable traction in the market. The career site and response management product is targeted to power value added offerings to recruiters and companies. It was sold to over 1,600 recruiters (including corporates) in FY2016. On this front, additional capabilities and features are being added and certain variants are also being launched. The proposition of recruiter being able to create profiles that can be followed by users has also gained good market acceptance. In terms of products, the Company has been developing a referral portal for companies, where employees can submit direct or social media referrals and track their status.

Second, is to develop mobile based applications to support and supplement the existing naukri offerings. There is already ios and android based apps and an html5 based mobile site, which is being continuously upgraded to satisfy the highly dynamic market demand. As is the industry trend, increasingly share of traffic for naukri is emanating from mobile applications. In quarter 4 of FY2016 around 56% of traffic to naukri initiated from mobile platforms. **Chart H** plots the growing influence in mobile based traffic origination for naukri since Q1FY2015 – in a span of 8 quarters the share has doubled from 28% to 56%.

Third, is to improve utility for customers by significantly enhancing the search engine within the model. This is being pursued by focusing on using semantic searching mechanisms to make the experience better and faster for job seekers and recruiters. The function is being augmented by using sophisticated analytics tools that mainly focus on optimising results based on searches done by recruiters.

Fourth, the offerings are supplemented by a responsive customer service. The differentiating factor being promoted here is the emphasis on a solution based approach.

Naukri.com is supported primarily by offerings that complete the Company’s full service suite in the recruitment space: Quadrangle, FirstNaukri.com, and naukrigulf.com.

- **Quadrangle**, offers off-line placement services to middle and senior management, with revenues based on a success fee model. It complements the online recruitment business. The business continues to perform creditably with little incremental investments.

- **Firstnaukri.com** The site targets at hiring fresh students from campuses. Today, much of this hiring is done offline, and the focus on this business is to

convert the existing offline activities to online and build on the potential of online campus hiring. This is at a nascent stage of development.

- **naukrigulf.com** is working on replicating the naukri model in the Middle East. While the initial focus was on the Indian diaspora, today, people from several nationalities use the site. While in the last 2 years there has been reasonable gains in markets like Dubai, Abu Dhabi, and Oman, in FY2016 the business was adversely affected by the slowdown in the middle-east and especially the fall in oil prices.

Fast Forward- Candidate services: A fraction of the individuals who visit our site opt for value added services like getting their resume written professionally amongst other services.

REAL ESTATE – 99ACRES.COM

99acres.com derives its revenues from property listings, builders' and brokers' branding and visibility through micro-sites, home page links and banners servicing real estate developers, builders and brokers. **Box 4** gives the financial performance highlights of 99acres.com.

The usage parameters highlight some traction in revenue generating traffic in a very difficult business environment:

- Number of listings on 99acres.com increased by 20.8% — from around 3.4 million at the end of FY2015 to 4.1 million during FY2016.
- Number of paid listings grew by 15.5% — from 2.5 million during FY2015 to 2.8 million during FY2016.

Given the fact that real estate was the largest category for advertisements in the print media,

the potential for online real estate classifieds as a business is immense. However, the pace of transformation from the print space to online has been slow. Even then, estimates suggest that the online real estate market in FY2016 was around ₹ 3.2 billion. In FY2015, the sector was flooded with new players and large investments from overseas funds. In a sense, there was a rush to get a piece of the market pie, which had scope of hyper growth.

This intensity of competition resulted in the need for excessive investments from most major players in the sector to maintain material share of traffic and hence business. There were lot of innovations in terms of products and competition peaked by the January 2015. Info Edge had to go with the market trends and make large investments – although the Company always maintained better capital efficiency in their investments when compared to many new entrants.

These investments were largely in people in augmenting the product and associated teams. The Company remains focused on developing a superior product platform that enhances customer experience and provides an edge in the market. The other area where spends increased was on brand building and marketing.

The euphoria in the market place died down since the second half of FY2016 with some of the businesses being pulled up by investors for unwarranted cash burn, and the market dynamics has become much more stable since then.

Chart I tracks the traffic share of various brands in the segment and it is noteworthy that since June 2015 competition has started to decline and a few players have started garnering most of the share.

Today, with a share of around 50% of traffic, 99acres is the clear leader amongst six major players. Couple of the global search engines are also indirect competitors in this space. Interestingly, 99acres has successfully gained traffic share at a time when they focused on cost rationalisation and reducing EBITDA losses. In fact, EBITDA losses has reduced from around ₹ 347 Mn in Q1, FY2016 to ₹ 114 Mn in Q4, FY2016. While the business is still working on restructuring cost components, it should be noted most of the cuts are on the marketing and brand building while the focus on enhancing customer experience and quality of product remains a prime focus. While the Company has established leadership in traffic share, it should be noted that the business environment continues to be difficult. In fact, the Real Estate market remains sluggish and demand

99acres.com Performance Highlights

- Net sales from 99acres.com increased by 10.26% from ₹ 1,004 million FY2015 to ₹ 1,106 million in FY2016.
- Operating EBITDA loss for FY2016 was ₹(911) million.

for new homes especially in markets like Noida, Gurgaon, Hyderabad continue to be weak. Mumbai and Bangalore are slightly better but everywhere unfinished projects and inventory overhang continues. And, the offerings have to become more and more tailor made for particular needs of each of the city markets in India.

In terms of product, the focus remains on creating market differential by attending to specific needs of customers. For this, there is stress on quality of information on the site with greater emphasis on photos and videos and detection and reduction of spam. There is an effort to enhance the new projects platform experience with new offerings for builders and introduction of features like comparison with similar projects, payment plans and construction status updates. Efforts are also on to create an efficient listing verification to improve quality of data on the site. A value added proposition being introduced into the site is the lead management system, which will support in lead optimisation and help in monetisation.

Given the trend in rapid proliferation of mobile internet, for 99 acres too there is a mobile app on ios and android platform. Features of this app is being continuously upgraded. This is in addition to the mobile site. Comscore data for mobile sources of internet suggests that between December 2015 and March 2016, 99acres maintained leadership

in mobile with traffic share ranging from 45% to 60%. In fact by Q4, FY2016 the share of mobile as a source of sessions increased to 52%.

MATRIMONIAL – JEEVANSATHI.COM

While jeevansathi offers a platform for free listing, searching and expressing interest for marriage, its revenues are generated from payments to get contact information and certain value added services. **Box 5** gives the financial highlights of the business.

Even after securing much better top-line the increase in losses was due to certain investments made to further invigorate the brand. It is important to note that the revenue growth has really kicked

BOX 5

Matrimonial Performance Highlights

- Posted operating EBITDA loss of ₹(126) million in FY2016.

in during the last quarter of FY2016, so the investments are showing early signs of paying dividend.

The usage data does point to a growth in the brand.

- Profile listings increased from 6.8 million at the end of FY2015 to 7.6 million at the end of FY2016 — an increase of 11.8%
- Average number of profiles acquired daily increased by 20.4% from 1,814 in FY2015 to 2,184 in FY2016.

The Indian online matrimonial market, estimated to be around ₹ 5.5-6 billion in FY2016, is a highly fragmented market in terms of preferences for geographies and communities. In addition the institutional structure for marriages are such in India that typically the site is used by those disconnected from mother communities and youngsters wanting greater choice. Often the users are parents. In this backdrop, product offerings need to be tailor made to address specific local or community based needs and therefor requires in depth local knowledge and strong ability to customise.

With leadership position in certain north Indian markets and amongst some specific communities. Jeevansathi is one of the three leading players in the market. Due to the reasons described in the earlier paragraph, breaking into and penetrating competitor's markets is difficult and growth in today's state of the industry will be gradual unless some quantum investment is made in the brand or product.

Under these conditions, being an established player in the market, jeevansathi's has a clear two pronged strategic focus. On the one hand, it is to specific communities to grow revenues. Here, there is opportunity in identifying needs of communities not already being catered to effectively and providing them specific solutions. Also, within its target group to stress on ways to increase profile acquisitions. On the other hand, emphasis is being laid to convert the community already on the site to increase their use of paid services. A corollary to this endeavour is to convert free users to paid users.

In addition, providing a better experience on mobile gives scope to take on competition and establish greater presence in the market as the mobile experience across the brands is in a way new. The Company has made a lot of effort in creating a word class experience for users on the mobile platform through its mobile site and ios and android based app. In the last quarter of FY2016, 79% of the

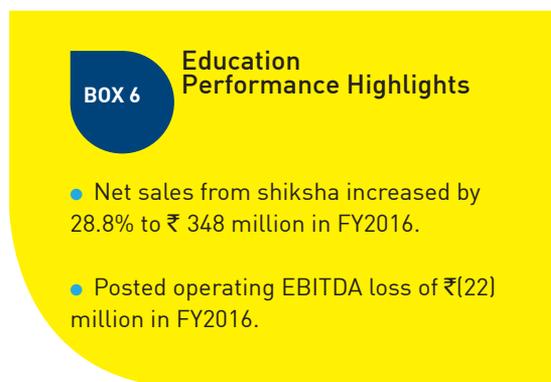

sessions of jeevansathi originated from the mobile platform.

EDUCATION – SHIKSHA.COM

Within the online education classifieds space, shiksha has been strategically positioned as a website which helps students decide undergraduate and post graduate options, by providing useful information on careers, exams, colleges and courses.

This is the newest business in Info Edge's stand-alone portfolio. The business has been carefully nurtured and developed with the Company's focus on understanding markets and developing appropriate products with optimal use of capital and focus on developing slow and steady leadership over a period of time.

Box 6 gives the financial highlights of this brand during FY2016.

BOX 6 Education Performance Highlights

- Net sales from shiksha increased by 28.8% to ₹ 348 million in FY2016.
- Posted operating EBITDA loss of ₹(22) million in FY2016.

Interestingly, the business has slowly moved towards profitability and generated a surplus in Q4, FY2016. While this is a step in the right direction, given the scope of growth in the industry and the interest amongst new entrants, there will be need to make investments to strengthen the brand's leadership positioning.

Like real estate, education has very high spends in the print media. In 2015, the total market was estimated to be around ₹ 3.8 billion (TAM data) and online spends are still very small compared to this. There is considerable opportunity in transforming existing users of other mediums to use the internet for education sector classified. Recognising the business scope, there is gradually a build-up of new entrants into this space.

The business model focuses on providing a platform for branding and advertising solution for colleges and universities (UG, PG, post PG) where

both Indian and foreign entities advertise. The platform is a great point of connect for international institutions as a large number of Indian students go overseas for higher education. Revenues are also generated through lead generation for institutions in terms of potential student or applicants details bought by colleges and their agents. There are also full counselling services provided for international university partners. Prospective students have free access to all information on the site (some post registration).

In terms of strategy, the business is focusing on creating differentiated and useful content with improved information on colleges and courses for different streams. There is also an effort to

create more user generated content (Q&A with community/experts/campus reps, college reviews) and introduce more interactive student tools. Growth is also being fostered with establishing a stronger mobile experience. To do this, the Company is focusing on full feature mobile sites for domestic and study abroad and a full version App (Android) with personalized experience. The efforts are being supplemented by a strong emphasis on key account development through innovative branding and student engagement solutions, applications for International clients and deeper key account management by sales team. There have also been efforts to target courses beyond B Tech, MBA and Study Abroad to grow the user base.

INVESTEE COMPANIES

In addition to promoting businesses internally, Info Edge recognises that ideation and the spirit of enterprise are key elements for success in developing online businesses. Thus, the Company has made investments in early stage start-up ventures. The objectives are: (i) to support the growth of these entrepreneurial driven activities, (ii) gain from enhanced value creation, wherever this occurs, and (iii) bring such enterprises into the Info Edge fold, if such opportunities arise in future and in appropriate situations. Most of these companies are in the incubation/ early stage phase.

Table 1 lists the investment status on each of these businesses.

Among these investments, two are starting to gain considerable traction — Zomato Media Private Limited and Etechaches Marketing and Consulting Private Limited that runs policybazaar.com

ZOMATO

This is the online restaurant discovery and food ordering business. It has clear leadership in India and UAE, which is considered its home market. Today, directly or through acquisitions, it has a presence in 23 countries including India, UK, Canada, Czech Republic, Slovakia, Poland, Portugal, UAE, NZ, South Africa, Turkey, Philippines, Indonesia, Italy, Brazil, Ireland, Qatar, Sri Lanka, Chile, Australia, US, Lebanon and Malaysia.

The business recorded around 71 million sessions in March, 2016 across web and mobile of which around 70% sessions through mobile (web and app). Today, it has a database of 1.1 mn restaurants across the world.

The business model focuses on the following:

- *Advertising*

Banner ads on web and mobile apps relevant to a user's search of restaurants in an area
Events, sponsored spots in collections and corporate tie ups

Online food ordering launched in India and UAE (Dubai & Abu Dhabi) in FY 15-16

Delivery done by restaurant or by Zomato's logistics partner Grab and Delhivery
2 mn plus orders processed in FY 2016

- *Table reservations (Zomato Book) active in 8 cities globally*

At the beginning of FY2016 when the investment market was good and zomato was able to raise a large amount of capital, it had decided to go after a lot of big opportunities available in terms of geographies. Zomato expanded by launching in a few new countries and also made a few acquisitions. However, market conditions shifted in the middle of FY2016 and there was a lot of competition in home markets of India and UAE. The intense competition has made zomato re-align its business to generate sustainable profits over the longer term.

Info Edge recognises that ideation and the spirit of enterprise are key elements for success in developing online businesses. Thus, the Company has made investments in early stage start-up ventures.

The realignment included becoming prudent in terms of where capital was being deployed where management time was being spent. Consequently, the focus shifted on a select 14 countries reducing exposure in regions where there was a lot of high burn and high risk. Also, as a cost reduction measure, today, every market apart from these 14 countries is being managed out of India remotely. As a result of these initiatives, the brand has managed to cut costs drastically – the operating burn rate, which had peaked at US\$9 million per month during the first quarter of FY2016, had reduced to around US\$1.6 million in May 2016. In the second half of FY2016, zomato managed to double its revenues while actually bringing down costs and exposure to high risk, high burn areas.

There was a successful launch of the online ordering delivery business in India and UAE and the business is almost a year old. The India delivery business is currently about 20% of revenues in India and the service is profitable. Zomato continues to work on rationalising its cost and is well positioned to launch on a structured growth path.

POLICYBAZAAR

Policybazaar is India's financial online supermarket. It provides online price comparison of financial products; mainly for insurance, and is expanding fast into other financial products (Paisabazaar). It is a clear value add to individuals and Financial Institutions and a leader in its category with estimated 90% share of Insurance comparison and 40% of online Insurance transactions. It has potential to penetrate a large untapped and growing market as fraction (less than 4%) of the Indian population is insured.

Info Edge has invested ₹ 325 million in Etechaces Private Limited, but with other partners investing further, Info Edge's interests in the business has reduced to 10% stake. The investee company operates an online insurance aggregator website — policybazaar.com — which helps customers understand their insurance needs and select schemes that best suit their requirements. Other financial products like home loans, car loans and personal loans are also being added for inter-se comparison of financial products prior to purchase. The business has been partially affected due to regulatory issues. Even so, it is growing; and it is also laying emphasis on distance marketing and advertising.

MERIT NATION

Info Edge has invested an additional ₹ 249 million in FY2016 taking its investments to ₹ 968 million for around 59% stake in Applect Learning Systems Private Limited. Applect has launched a site called meritnation.com, which is delivering kindergarten to Class 12 (K-12) study material. The site is managed by an experienced team that specialises in content development and assessment modules in the education space, and has a strong commitment to delivery. It provides:

- *Supplementary online learning platform for K12 and Entrance Exams*
 - Proprietary content
 - Freemium model
 - Direct to consumer
- *Provides free solutions mainly for*
 - mathematics and science for K12 of popular national Indian curriculum's viz. CBSE and ICSE and some State Boards
 - free solutions restricted to popular text books and user generated content
- *Paid product for online assessment and teaching solutions*
 - provides resources to kids for self study after school

- Option for live online tuition classes
- *Expanding offline centres*
- *Test prep product for engineering and medical entrance examinations*

During FY2016, it received over three million visitors every month and it has over 10 million registered users. The services have been augmented by a mobile app and offline model. In FY2016, around 55-60% of the traffic came from mobile platforms.

CANVERA

It produces printed wedding albums for professional photographers. The business model is about building the brand with the consumer but monetise through the professional photographer. The products and services include: (i) printed products (albums) sold to the photographer (main source of revenue); (ii) design of printed products and websites (service business that supports the product business); (iii) web solutions to help professional photographer build their website (SaaS); and (iv) lead generation through photographer classifieds (new offering that could explore a monetisation possibility).

The business is about leveraging the Company's long drawn expertise in digital imaging and printing. From a revenue perspective, the photographers pay to order printed albums or photographs. Additional sources of monetisation are possible through the micro site.

It has a sales presence in more than 200 cities. An important new launch in FY2016 was that every printed book can now be downloaded to a mobile devices using Canvera's app and from the app shared on Facebook, WhatsApp. There is also a photographer's directory, basis city and location.

MYDALA

It is a deals and couponing site with large sales team which sources deals. They also power deals on the mobile, partnering with telecom operators. The business is making all efforts to evolve into a merchant marketing platform on web and mobile, with majority of its revenues from mobile. It has about 50 mn visitors and 5 mn transacting customers every month.

HAPPILY UNMARRIED

Today this is the business which is mainly offline in Infoedge's portfolio. It sells innovative fun

products through retail outlets with an Indian and whacky touch. The introduction of these products on the online platform is gaining traction. It has also launched a grooming range for men called 'Usttraa'

investments being made on mobile based applications, which is a breakthrough technology in this business.

STRATEGIC RISKS

- *Competition Risk:* All the portals face competition directly on the online space and the offline.

risks

The Company has a well-structured and robust risk management mechanism, which includes a comprehensive register that lists the identified risks, its impact and the mitigation strategy. Broadly, there are some overriding risks that are listed below:

OPERATIONAL RISKS

- *Data Security:* Technical failure and breakdowns in servers could lead to interruptions of our websites and result in corruption of all data and/or security breaches. The Company has initiated a pilot project to establish a secondary site in India as a precautionary measure.
- *Obsolescence:* Being a technology driven company, it always faces the risk of an innovation or product development that can make one or more of Info Edge's propositions redundant. The Company remains alert with technology developments to overcome this risk. A case in point is the

Info Edge continuously tracks competition in every one of its businesses and stays prepared for the challenges.

- *Dependency Risk:* The Company relies heavily on the recruitment business in India for its profits and cash flows. Info Edge has been consciously diversifying into other businesses to de-risk itself from this dependency. Already, the other businesses have started contributing around 22.5% of its total revenues — up from 19%.
- *Investment Risk:* The Company has an active exposure of investments worth ₹ 7,200 million into start-ups, directly and through subsidiaries. There is a probability that this entire investment might not generate returns and absorb more cash in the incubation/ early phase. These are calculated risks, which is part of the Company's growth strategy. Also the reported equity holdings in the investee companies may not translate into an equivalent economic interest on account of terms of investment including senior rights given to an investor or a group of investors or esop dilution.

FINANCIAL RISKS

- *Tax Issues:* the Company has had a few income tax and service tax cases against it, which, if lost, may impact future cash flows. However, none of these is material.
- *ERP:* In order to promote efficiencies, the Company has promoted ERP across its activities. Any errors in billing or financial reports in the ERP system could affect the Company's billing and statutory reporting.

MANPOWER AND REGULATORY RISKS

- *Attrition:* Being a knowledge driven business, significant increase in people attrition may affect the course of the business. The Company is focusing on making workflows as process-driven as possible.
- *Content Liability:* Most of the portals rely on information being posted by users. Fraudulent postings/profiles on the website, spamming by some of the users may damage the Company's reputation and make it vulnerable to claims, e.g. defamation and invasion of privacy. Filters are in place to contain the quantity and quality of uploads and downloads.
- *IPR Protection:* The Company has been protecting its trademarks against infringement/passing off by third parties who use them in a trademark sense. Even so, it is exposed to risks of third parties trying to use our marks. There are also risks attached with the litigation process. Also, litigation is a time & resource intensive activity and may be on-going.

internal controls and their adequacy

Info Edge has proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorised use or disposition, and those transactions are authorised, recorded and reported correctly.

The internal control is supplemented by an extensive programme of internal audits, review by management and the Audit Committee, and documented policies, guidelines and procedures. The internal control is designed to ensure that financial and other records are reliable for preparing financial information and other data, and for maintaining accountability of assets.

outlook

With the positive sentiments in the macro-economic front in India, the job market will remain robust in FY2016. There is some concern with IT companies announcing a cut down on hiring in the near future. However, the size of hiring requirements of the IT sector is so high that a reduction at the margins will not affect naukri.com's business much. Also with a focus on more efficient hiring methods, these companies might increasingly use more of naukri's hiring platform. The Company's investments specifically in product development will continue to help maintain and strengthen the leadership position.

With market hysteria dying down in the online real estate space, investment requirements into 99Acres.com, especially from a marketing perspective are expected to reduce. By continuing to invest in various areas like verified listings, better user interface and designs, improving products and features on the site, the mobile platform, the platform for new projects, and analytics, 99acres is expected to firmly establish its leadership position in the market. This can be effectively leveraged once the real estate market in India picks up. Amongst the investment companies, cash burn is expected to reduce significantly at zomato while revenues are expected to pick up. This will realign the business model toward better performance on fundamental parameters.

Overall, the Company is expected to deliver good growth in revenues across brands, profitability of the brands are expected to improve, but at the aggregate level the Company will have to keep on investing in products and people to maintain leadership in a market, which is fast getting exposed/prone to competition from global players.

cautionary statement

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a downtrend in the Indian online sector, advertising spends, new disruptive technologies or business models, significant changes in political and economic environment in India, exchange rate fluctuations, tax laws, litigation, labour relations and interest costs.

report on corporate governance

The Company believes that its Board is the Trustee of all investor's capital and is obligated to maximize shareholders value over the long term, while preserving the interests of all its stakeholders, such as customers, business partners/vendors, employees and the society at large. It is committed to high levels of ethics and integrity in all its business dealings, that avoids all conflicts of interest. In order to conduct business with these principles, Info Edge maintains a high degree of transparency through regular disclosures and a focus on adequate control system.

Good Corporate Governance practice lies at the foundation of Info Edge's business ethos. The Company does not view Corporate Governance principles as a set of binding obligations, but believes in using it as a framework to be followed in spirit. This is reflected in Company's philosophy on Corporate Governance.

The following report on Corporate Governance is a sincere manifestation of the efforts made by your Company to adopt and follow the principles of Corporate Governance in true letter and spirit. This report, along with Management Discussion and Analysis Report and additional shareholders information provides the details of implementation of the Corporate Governance practices by your Company as contained in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

CORPORATE GOVERNANCE PHILOSOPHY

Info Edge's philosophy on Corporate Governance envisages accomplishment of a high level of transparency, integrity, honesty and accountability in the conduct of its businesses and puts due prominence towards regulatory compliances. At Info Edge, Corporate Governance is considered as a benchmark for efficient working of Board of Directors, Management reviews, strong control procedures and a guiding culture for employees. The Company's governance structure is designed to provide a framework for the successful implementation of this business ethos.

Your Company always strives to adopt best global practices in Corporate Governance and remains abreast with the continuous developments in the industry Corporate Governance systems. The entire framework is governed by a strong Board of Directors and executed by a committed team of management and employees.

Securities & Exchange Board of India notified SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") on September 2, 2015 to consolidate and streamline the provisions of the Listing Agreement. The Listing Regulations were made effective w.e.f. December 1, 2015. The erstwhile Listing Agreement was applicable only for part of the Financial Year i.e. till November 30, 2015 and Listing Regulations became applicable to the Company effective December 1, 2015. The new norms provide for stricter disclosures and protection of investor rights and encourages companies to adopt best practices on Corporate Governance. Your Company has taken suitable action to be in full compliance with these enhanced norms providing for stricter disclosures and protection of investors rights.

BOARD OF DIRECTORS

A quality Board, being at the core of its Corporate Governance Practice, plays the most pivotal role in overseeing how the management serves and protects the long-term interests of all our stakeholders. Info Edge firmly believes that an active, well-informed and independent Board is necessary to ensure the highest standards of Corporate Governance to bring objectivity and transparency in the Management.

SELECTION OF THE BOARD: In terms of the requirement of the provisions of the Companies Act, 2013, and provisions of the Listing Regulations the Nomination and Remuneration Committee has been designated to evaluate the need for change in the composition and size of the Board of the Company and to select members to fill Board vacancies and nominating candidates for election by the Shareholders at the Annual General Meeting.

Composition of the Board: Info Edge's Board consists of an optimal combination of Executive Directors and Non-executive Directors with varied professional backgrounds, representing a judicious mix of professionalism, knowledge and experience. As on March 31, 2016 the Company's Board comprised of 9 (Nine) Directors, of which three are Executive Directors, five are Independent Directors (including one Woman Director) and one is a Non-executive Director. The Chairman of the Board is a Non-executive, Non-promoter Director.

Even though, Regulation 17 of Listing Regulations states that if the Chairman is a Non-executive, Non-promoter Director, one-third of the Board should be independent, Info Edge believes in the significance of an Independent Board and therefore more than 50 % of its Board members are Independent Directors.

In addition, there is segregation between the position of the CEO and the Chairman.

Mr. Saurabh Srivastava, Chairman of NRC attended the AGM held on July 27, 2015.

Brief Description of Terms of Reference

NRC, vide Committee Charter as approved by the Board, has been entrusted with the responsibility of formulating the criteria for determining qualifications, positive attributes and independence of a director including identifying, screening and reviewing candidates qualified to be appointed as directors and candidates who may be appointed in senior management.

The Terms of Reference of the NRC, primarily include the following:

1. Assisting the Board with respect to its composition so as to ensure that the Board is of a size and composition conducive to making appropriate decisions.
2. Reviewing the Board's Committee structures and to make recommendations for appointment of member/ Chairman of the Committees.
3. Ensuring that effective induction and education procedures exist for new Board appointees and senior management.
4. Ensuring that appropriate procedures exist to assess and review and evaluate the performance of the Directors, senior management, Board committees and the Board as a whole.
5. To formulate and recommend to the Board a remuneration policy for the directors, key managerial personnel and other employees.
6. Ensuring that the remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The Committee also administers Company's Stock Option Scheme(s).

BOARD FAMILIARIZATION PROGRAMME

NRC designed & recommended a Familiarization Program for Independent Directors of the Company which has been adopted by the Board of Directors and is in accordance with the Regulation 25 of the Listing Regulations. The Program aims to provide insights into the Company to enable the Independent Directors to understand its business in-depth and contribute significantly to the Company.

The familiarization program has been uploaded on the website of the Company at <http://www.infoedge.in/pdfs/Board-Familiarisation.pdf>.

BOARD DIVERSITY POLICY

The Company recognizes and embraces the benefits of having a diverse Board of Directors that possesses a balance of skills, experience, expertise and diversity of perspectives appropriate to the requirements of the businesses of the Company. The Board diversity policy is a reflection of the Company's belief that Board appointments should be based on merit, that complements and expands the skills, experience and expertise of the Board as a whole taking into account knowledge, professional experience and qualifications, gender, age, cultural and educational background, and any other factors that the Board might consider relevant and applicable from time to time for it to function effectively.

NRC designed & recommended a Board Diversity Policy for the Company which has been adopted by the Board of Directors in accordance with the provisions of the Listing Regulations.

POLICY**

The Company's remuneration policy ensures that its Directors, key managerial personnel and other employees working in the senior management are sufficiently incentivized for enhanced performance. In determining this policy, the Company has taken into account factors it deemed relevant and gave due regard to the interests of shareholders and to the financial and commercial health of the Company. The Remuneration Policy of the Company ensures that the:

- Level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors and senior management of high quality required to run the Company successfully;
- Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- Remuneration to directors, key managerial personnel and senior management creates a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

Executive Director's Remuneration:

The key objective of the Company's policy for Board remuneration is to enable a framework that, allows for competitive and fair rewards for the achievement of key deliverables and, also aligns with practice in the industry and shareholders' expectations. While setting remuneration for the Executive Directors' the Company will take into account the market sector, business performance and the practices in other comparable companies.

The total remuneration package of Executive directors shall include:**A. Fixed Remuneration:**

Executive Directors' shall receive a fixed monthly amount as salary with merit based periodic increments as may be approved by the board upon the recommendation of NRC within the overall range approved by the shareholders in general meeting. Such salary shall be based on a function-related system and be in line with market practices. The Fixed Remuneration shall also include other remuneration elements like special allowance, house rent allowance or company leased accommodation, cars with services of driver, medical reimbursements, leave travel allowance, telephone/internet/fax at residence, cell phone expenses etc. including such other perquisites as the NRC may approve for enabling the Executive Directors to discharge their duties besides statutory contributions to Provident Fund/Superannuation Fund, Gratuity etc.

B. Variable Remuneration:

The Executive Directors' receive Variable Remuneration keeping the performance of the Company in sight. The level of Variable Remuneration to be paid out is dependent upon the degree to which the Company achieves its targets. This Performance Related Payment/Annual Bonus is calculated with reference to the net profits of the Company in a particular financial year and is determined by the Board of Directors at the end of the financial year based on the recommendations of NRC, subject to overall ceilings stipulated in the Companies Act, 2013. All Executive Directors, other than Promoter-Directors, are also eligible to receive Stock Options.

C. Non-Executive/Independent Director's Remuneration:

NRC advises the Board regarding Non-Executive/Independent Directors' Remuneration. The remuneration package of the Non-executive/Independent Directors is structured in consonance with the existing industry practice and is fee based, which may be reviewed at regular intervals, subject to maximum that may be permissible under the provisions of the Companies Act, 2013.

The Non-executive/Independent Directors' fee for attending each meeting of the Board or the committee(s) thereof are as follows:

Type of the Meeting	Board Meeting	Audit Committee Meeting	Nomination & Remuneration Committee Meeting	Strategic Review Meeting (offsite meeting of the Board)
Amount Payable (₹)	100,000	50,000	50,000	50,000

No fee is paid for attending Stakeholders' Relationship Committee, Risk Management Committee and Corporate Social Responsibility Committee.

The Independent Directors are also paid by way of commission, as approved by the Shareholders subject to the maximum allowed under the provisions of the Companies Act, 2013. In terms of the shareholders' approval obtained at the AGM held on July 21, 2011, the Independent Directors' are paid Commission, as decided by the Board, within the maximum limit of 1% per annum of the profits of the Company. The said approval expires in the financial year ending March 31, 2016. A proposal for renewal of the approval by the shareholders' is being sought in the ensuing Annual General Meeting and forms part of the Notice of Annual General Meeting 2016 for a further period of 5 years commencing from April 1, 2016, for payment of commission not exceeding one per cent of the net profits of the Company calculated in accordance with provisions of the Act, to be paid and distributed amongst the Non-Executive Directors of the Company.

The proposal of payment of Commission to Independent Directors is placed before the Board. Total commission payable to Independent Directors is divisible into two parts – Fixed & Variable. The Commission is distributed on the basis of their attendance and contribution at the Board and certain Committee Meetings as well as time spent for the Company, other than at the meetings. The table below gives the parameters on which the Commission is payable.

Fixed Commission (₹)	Variable Commission based on attendance at the Board meetings (₹)		
	50% Attendance	75% Attendance	100% Attendance

Remuneration of Key Managerial Personnel & Senior Management:

The Company believes that a combination of fixed and performance based payment to the Key Managerial Personnel and Senior Management Executives (the "Executives") helps to ensure that the Company can attract, retain and motivate its Executives. NRC submits proposals related to the remuneration of Executives to the Board for its approval after taking into consideration the following items:

- Employment scenario;
- Remuneration packages in the industry; and
- Remuneration package of the managerial talent of other industries.

The total remuneration package of Executives consists of the following:

- a. Fixed Salary:** The Executive's fixed salary is competitive and based on the Individual Executive's qualifications, responsibilities and performance.
- b. Variable Salary:** The Executives may receive variable salaries in addition to fixed salaries. The variable salary vary for persons responsible for different business verticals of the Company. The payment of variable salary also depends, inter-alia, on the performance of the Company as a whole or the performance of respective business verticals where the Executive is employed.
- c. Share Options:** There is Employees Stock Option Plans in the form of Stock Appreciation Rights (SARs)/Restricted Stock Units (RSUs) and ESOP/SAR Grants ("Options") in place for Employees of the Company. The focus of said Stock Option Plans is to reward employees for their past performance and association with the Company, as well as to attract, retain, reward and motivate Employees to contribute to the growth and profitability of the Company.

**BOARD
EVALUATION
PROCESS**

The Company believes that an effective Governance Framework requires periodic evaluation of the functioning of the Board as a whole, its committees and individual director's performance evaluation. Keeping this belief in mind, the Company on the recommendation of the NRC has established the Performance Evaluation criteria for the (a) The Board as a whole including its Committees (b) Chairperson of the Board and (c) Individual Directors as required under Companies Act 2013 and provisions of Listing Regulations.

Dividend Policy

The Board had revised the dividend policy of the Company in its meeting held on March 12, 2016. The revised dividend policy indicates that the Company strives to maintain a dividend pay-out ratio of 15%-40% of standalone profits after tax, which may be modified in light of exceptional circumstances affecting the financials.

During FY2016, your Company declared and paid two interim dividends. Once, at the rate of Re.1/- (Rupee one only) per equity share of the face value of ₹ 10/- (Rupee Ten only) in the month of November, 2015 and then again in the month of March, 2016 at the rate of ₹ 2/- (Rupees two only) per equity share of the face value of ₹ 10/- (Rupee Ten only), in line with its revised Dividend Policy. Accordingly, your Directors have considered it financially prudent to further add to the strong reserve base of the Company and therefore has not recommended any amount as final dividend for the year ended March 31, 2016.

Listing

At present, the equity shares of the company are listed on BSE Ltd. (BSE) and National Stock Exchange of India Limited (NSE). The annual listing fees for the financial year 2016-17 to BSE and NSE has been paid.

FINANCIAL REVIEW

Your Company, on a standalone basis, achieved net sales of ₹ 7234.76 million during the year under review as against ₹ 6113.46 million during the previous financial year, a growth of more than 18% year on year. The total income increased by more than 17% from ₹ 6877.47 million in FY 2015 to ₹ 8062.86 million in FY 2016.

The operating expenses went up by 31% in FY2016 over FY 2015 primarily by reason of additional investment in manpower resources and more focus on advertising and promotion to build brands mainly 99acres.

Operating EBITDA, for the year, stood at ₹ 1578 million in comparison with ₹ 1793 million in FY2015. Profit before tax

(PBT) from ordinary activities is ₹ 2082 million in FY2016 as against ₹ 2675 million in FY2015. Net profit after taxes (PAT), in FY2016, is reported to be ₹ 1416 million (after exceptional expense of ₹ 115 million in FY 2016) in comparison to ₹1939 million in FY 2015 (with a large exceptional income of ₹ 292 million in FY 2015).

DIVIDEND

Your Company has a consistent & impressive track record of dividend payment.

During FY2016, your Company declared and paid two interim dividends. Once, at the rate of Re.1/- (Rupee one only) per equity share of the face value of ₹ 10/- (Rupee Ten only) in the month of November, 2015 and then again in the month of March, 2016 at

the rate of ₹ 2/- (Rupees two only) per equity share of the face value of ₹ 10/- (Rupee Ten only), in line with its revised Dividend Policy, which indicates that the Company strives to maintain a dividend pay-out ratio of 15%-40% of standalone profits after tax. Accordingly, your Directors have considered it financially prudent to further add to the strong reserve base of the Company and therefore has not recommended any amount as final dividend for the year ended March 31, 2016.

The total dividend pay-out (excluding Dividend Distribution tax) for the current year is ₹ 362.55 million as against ₹ 360.75 million for the previous year. The amount of Dividend Distribution Tax paid/provided by the Company for the year is ₹ 73.81 million as compared to ₹ 73.59 million during the previous financial year.

TRANSFER TO RESERVE

The Company did not transfer any amount to reserves during the year.

SHARE CAPITAL

During the year under review, the Company issued & allotted 7,00,000 equity shares, from time to time, to Info Edge Employees Stock Option Plan Trust. Pursuant to the above allotment, the issued & paid-up share capital of the Company increased to, as on March 31, 2016, at ₹ 1,209,161,590 divided into 120,916,159 equity shares of ₹ 10/- each.

The fresh shares allotted as aforesaid have been duly listed on the Stock Exchanges.

LISTING OF SHARES

The Company's shares are listed on BSE Ltd. (BSE) & National Stock Exchange of India Ltd. (NSE) with effect from November 21, 2006, post its initial public offering (IPO). The annual listing fees for the financial year 2016-17 to BSE and NSE has been paid.

The Securities and Exchange Board of India (SEBI), on September 2, 2015, issued SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) with the aim to consolidate and streamline the provisions of the Listing Agreement for different segments of capital markets to ensure better enforceability. The said regulations were applicable w.e.f. December 1, 2015. Accordingly, all listed entities were required to enter into a Uniform Listing Agreement within six months from the effective date. The Company has entered into the requisite Listing Agreement with both the above Stock Exchanges.

SEGMENT REPORTING

Considering the changing trend in scale of operations in some of the service verticals, the Company has considered its business segments as the primary segments to monitor the performance of each of these business segments on regular basis with effect from quarter ended June 30, 2015 and therefore these have been considered as reportable segments under AS-17 on Segment Reporting. The reportable Segments represent "Recruitment Solutions",

"99acres" and the "Others" segment which comprises Jeevansathi and Shiksha service verticals since they individually do not meet the qualifying criteria for reportable segment as per the said Accounting Standard.

OPERATIONS REVIEW

Recruitment Solutions

The flagship portal of the Company, Naukri.com, continues to remain the primary source of revenue and cash generation for the Company in the recruitment classifieds and related services vertical, along with naukrigulf.com, firstnaukri.com and quadranglesearch.com. There have been some improvements in the macroeconomic environment in India, primarily in terms of business sentiments. As a result recruitment business continues to grow at an improved pace in line with improved business confidence level.

During the year under review recruitment solutions grew by 19.4% from ₹ 4449.53 million in FY2015 to ₹ 5311.96 million in FY2016.

Operating EBITDA from recruitment solutions in FY2016 was ₹ 2846 million

99acres

The real estate market continued to remain subdued in India with many builders saddled with incomplete inventory. Across various regional real estate markets in India, there is a demand-supply imbalance that has had an impact on the overall trend in the real estate market. However, 99acres.com is at a critical juncture in its growth phase where the Company is making significant investments to improve the competitive positioning. The source of revenue for 99acres.com is from property listings, builders' and brokers' branding and visibility through micro-sites, home page links and banners.

During the year under review, real estate business grew by 10% from ₹ 1004.24 million in FY2015 to ₹ 1106.22 million in FY2016.

Operating EBITDA loss from real estate business stood at ₹ (910.8) million in FY 2016 largely on account of additional investments in people & advertising costs.

Others

Your Company also provides matrimonial and education based classifieds and related services through its portals jeevansathi.com and shiksha.com respectively. The other business verticals of the Company have been gaining traction for some time. The Company is actively promoting jeevansathi.com among northern and select western Indian communities and establishing strong leadership position in this market segment. On the other hand, the online education classifieds space is still at an early stage of development. The demand for education and education based information services is increasing in India due to demographics and increase in enrolment in secondary education in India and the growing participation of the private sector is increasing publicity and spending on classifieds and advertising.

With revenues from these other verticals increasing by 23.4%, their combined contribution to the company's net sales was 11.29% in FY2016. Jeevansathi.com grew by 20% & Shiksha.com grew by 29%. The Company would continue to invest more to scale up these businesses.

Detailed analysis of the performance of the Company and its businesses has been presented in the section on Management Discussion and Analysis Report forming part of this Annual Report.

CONSOLIDATED FINANCIAL STATEMENTS

The consolidated financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

The consolidated financial statements have been prepared on the basis of the audited financial statements of the Company, its subsidiaries and associate companies, as approved by their respective Boards of Directors. However, for the purpose of consolidation of financial statements of the Company as regards the investments in certain Associate companies i.e. Canvera Digital Technologies Pvt. Ltd., Rare Media Company Pvt. Ltd., Mint Bird Technologies Pvt. Ltd and Kinobeo Software Pvt. Ltd., unaudited financial statements have been considered. For further details please refer note no.43 under notes to the Consolidated Financial Statements for the year ended March 31, 2016.

Pursuant to the provisions of Section 136 of the Act, the Financial Statements of the Company, the Consolidated Financial Statements along with all relevant documents and the Auditors' Report thereon form part of this Annual Report.

FUTURE OUTLOOK

With a new government at the centre with a decisive mandate, there were high expectations from the Indian economy. While the Government has taken number of proactive steps, especially related to the infrastructure development, the structural weaknesses of the economy were fairly acute. Thus, while the economy has started to look up the pace of recovery has been somewhat muted. This subdued business sentiment may prevail for some more time as the trailing economic slowdown continues to evaporate. However, despite such slowdown impact, your Company continues to benefit by the significant digital transformation in the last 15 years. It took 10 years for India to get the first 10 million users and another decade to hit the first 100 million. However, the next 100 million has been added in four years-between 2010 and 2014 and as of October 2015 there were an estimated 317 million internet users. This growth trend is expected to continue. Deeper Internet penetration and enhanced broadband usage continued to show strong secular growth trends. Therefore, the potential for growth of internet enabled businesses

is immense. Clearly, the digital economy in India has come of age and for entrenched players like Info Edge there are several opportunities for growth.

At Info Edge, we believe in this potential and are going to invest in all our businesses primarily on people, product development, marketing and brand building. The aim is to be a dominant leader driving the internet led economic growth of the country. The job market continues to show signs of picking up. Your Company also continues to gain share from other forms of recruiting and from competition. The competitive position in Naukri.com continues to be strong and the new product launches will help tap new sources of revenue. As GDP growth picks up, Info Edge should benefit going forward. The Company's investments specifically in product development will continue to help maintain and strengthen the leadership position. Growth of 99acres.com slowed down due to the uncertain market conditions but it gained traffic share; but the Company continues to invest in the business and growth is expected to come back in near future. Info Edge also continues to invest in Jeevansathi.com and Shiksha.com. Some of the investee companies have gained traction and if they need investments, same will be made on a case to case basis.

EMPLOYEE STOCK OPTION PLAN

Our ESOP schemes help us share wealth with our employees and are part of a retention oriented compensation program. They help us meet the dual objective of motivating key employees and retention while aligning their long term career goals with that of the Company.

ESOP-2007 (Modified In June 2009): This is a SEBI compliant ESOP scheme being used to grant stock based compensation to our Associates since 2007. This was approved by passing a special resolution in the Extra-ordinary General Meeting (EGM) held on March 26, 2007 which was further amended in June 2009 through approval of shareholders by Postal Ballot by introducing Stock Appreciation Rights (SARs)/ Restricted Stock Units (RSUs) and flexible pricing of ESOP/SAR Grants. The scheme is currently used by the Company to make fresh ESOP/ SAR grants.

ESOP-2015: This is a new Scheme introduced by the Company during the year. The Scheme was approved and recommended by the Nomination & Remuneration Committee and adopted by the Board of Directors on 27th July, 2015, subject to the approval of the members of the Company. The approval of the members was obtained by way of a postal ballot dated 2nd March, 2016. The results of the Postal Ballot were announced

on April 19, 2016. The Scheme has been formulated to provide equity-based incentives to Employees of the Company i.e. the Options granted under the Scheme may be in the form of ESOPs / SARs / other Share-based form of incentives. The Company shall issue a maximum of 40 lac Options exercisable into equity shares of the Company.

Further, the Company will create, issue & allot equity shares not exceeding 3% of the issued & paid-up Equity Share Capital of the Company as on March 31, 2015, i.e., 36,06,484 (Thirty Six lacs Six Thousand Four Hundred and Eighty Four) including any expansion thereof, in one or more tranches to implement its ESOP Schemes.

The applicable Disclosures as stipulated under the SEBI Guidelines as on March 31, 2015 with regard to the Employees' Stock Option Scheme (ESOS) are annexed with this report as Annexure V.

A certificate from M/s Price Waterhouse & Co Bangalore LLP Chartered Accountants (Firm Registration Number: 007567S/S-200012) with regards to the implementation of the Company's Employee Stock Option Scheme in line with SEBI (Share Based

Employees Benefits) Regulations, 2014 would be placed in the ensuing Annual General Meeting.

The shares to which Company's ESOP Scheme relates are held by the Trustees on behalf of Info Edge Employees Stock Option Plan Trust. The individual employees do not have any claim against the shares held by said ESOP Trust unless they are transferred to their respective de-mat accounts upon exercise of vested options by them. Thus, there are no shares in which employees hold beneficial ownership however the Voting rights in respect of which are exercised by someone other than such employees. The ESOP trust did not vote on any resolution moved at the previous annual general meeting or the Postal Ballot issued to approve the ESOP-2015 Scheme.

1. A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and reference to the web-link to the CSR policy and projects or programs.

Your company believes that Corporate Social Responsibility is a means to achieve a balance of economic, environmental and social imperatives, while addressing the expectations of shareholders and all stakeholders. It is a responsible way of doing business. Info Edge's CSR policy is aimed at demonstrating care for the community through its focus on education, sports and support to the disadvantaged and marginalized cross section of the society. At Info Edge, our CSR strategy focuses on aligning corporate goals with development goals thereby enabling inclusive growth. Through the CSR initiatives, your company strives to provide equitable opportunities for sustainable growth. With this idea of shared growth, your company has focussed the CSR initiatives in the field of education in this reporting year.

The complete CSR policy of your company is available on its website www.infoedge.in at the link <http://www.infoedge.in/ir-corporate-governance-csr.asp>.

Overview of projects or programs proposed to be undertaken

Your company intends to achieve the following objectives through the CSR initiatives:

- a) Enhancing the standard of higher education in India for public at large.
- b) Rendering professional education and training for capacity building for the nation.
- c) Helping build world class centres of excellence in learning through a multi-disciplinary approach.
- d) Providing education facilities and support to underprivileged children.
- e) Providing support to deprived and marginalized women and children and advocating for their rights.
- f) Providing training and rehabilitation services to blind and low vision children and adults.

Details of the Projects under Info Edge CSR initiatives

Ashoka University campus development and operation of the University

Your company has carried on the CSR initiative of development of Ashoka University undertaken last year in this reporting year. The core theme is to help build Ashoka University into a world-class liberal arts university and a beacon of excellence in higher education in India. Ashoka University is run by International Foundation for Research and Education (IFRE), a Section 25 Company incorporated under erstwhile Companies Act 1956, with the primary objective of promoting and improving the education standard in India. The contribution by your company has been deployed at the University for Infrastructure Creation, for building new facilities and for meeting a range of operational expenses.

Ashoka University is now home to 560 highly talented students and is firmly working its way to having 1,800 students on campus over the next three years. For the academic year 2015-2016, the university received 5,500 applications for its highly comprehensive admissions process. The university's faculty strength now stands at 65 (35 fulltime, 25 visiting and 5 co-curricular), with most of them having taught and/or done their PhDs at some of the world's finest institutions like Harvard, Oxford and UPenn. The university is in a critical phase of infrastructure build out with the built up area doubling from last year to nearly 750,000 sq. ft. and is well on its way to completing construction on the current 25 acre campus by 2019.

Support to the Post Primary School Programme

The contribution by your company has been deployed at Social Outreach Foundation (SOF) for the project "Support to the Post Primary School Programme" towards school fees, books and stationery including educational material and school uniform for sixty economically underprivileged children.

SOF is a registered society engaged in providing primary education to underprivileged children and supporting them for post-primary education. The SOF primary school is considered today as one of the best managed schools for less privileged children in Noida. Children who are part of SOF primary school and desire to continue studying in higher classes upon completion of their education from the SOF primary school are admitted to established and recognized schools. SOF provides each child with tuition fees, books, uniforms and additional coaching till Class 12.

Support to the Education-cum-Protection Centre for children by the name of "Mera Sahara"

The contribution by your company has been deployed at Joint Women's Programme (JWP), a registered society, for meeting a range of operational expenses for running the Education-cum-Protection Centre for children by the name of "Mera Sahara" where around 140 children, between the ages of 1-12 years, are educated, protected and made eligible for mainstream schools. Children who qualify to go to mainstream schools are admitted to the nearby Government Schools.

JWP is also engaged in lobbying and advocating for the rights of the deprived and marginalized women and children, in conducting adult education, legal and health education classes for mothers and school dropouts in urban slums and rural areas and in providing training in tailoring and embroidery, *durrie* making and computer classes.

Computer Education for the visually impaired

The contribution by your company has been deployed at the Blind Relief Association for administering the "Diploma in Computer Education (Visual Impairment)".

The Blind Relief Association is a registered society focussing on providing education and training to the visually challenged thereby enabling them to realize their potential and be self-reliant. It is engaged in conducting training programmes for teachers for the visually impaired, providing counselling and direct help to the visually impaired for their employment, conducting computer literacy training programmes for the visually challenged besides providing quality school education and running a range of vocational skill training courses in light engineering and other industrial trades.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF INFO EDGE (INDIA) LIMITED

Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of Info Edge (India) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by 'the Companies (Auditor's Report) Order, 2016', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

INFO EDGE (INDIA) LIMITED

- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure A.
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:

ANNEXURE A TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members of Info Edge (India) Limited on the standalone financial statements for the year ended March 31, 2016

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Info Edge (India) Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. General Information

Info Edge (India) Ltd (the Company) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed in two stock exchanges in India.

The Company was converted to a public limited company and its name was changed to Info Edge (India) Limited with effect from April 27, 2006.

2. Significant Accounting Policies**2.1 Basis of Preparation of Financial Statements**

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of services and the time between the rendering of service and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non current classification of assets and liabilities.

2.2 Fixed Assets

Tangible Assets are stated at cost of acquisition along with related taxes, duties and incidental expenses related to these assets, net of accumulated depreciation and accumulated impairment losses, if any.

Intangible assets are stated at their cost of acquisition, net of accumulated amortisation and accumulated impairment losses, if any.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the financial statements. Any expected loss is recognised immediately in the Statement of Profit and Loss.

Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

2.3 Depreciation and amortisation**Tangible Assets**

Depreciation is provided on a pro-rata basis on the straight line method over the estimated useful lives of assets, based on internal assessment and independent technical evaluation done by Management expert which are equal to, except in case of Plant and Machinery, Furniture and Fixtures and Vehicles where useful life is lower than life prescribed under Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets.

Assets	Estimated useful life (Years)
Building	60
Computers	3
Plant and Machinery	10
Furniture and Fixtures	8
Office Equipment	5
Vehicles	6

Leasehold land and leasehold improvements are amortized over the lease period or useful lives of the related assets whichever is lower.

Intangible Assets

Intangible Assets are amortised under straight line Method over the estimated useful lives of the assets, which are as follows:

Assets	Estimated useful life (Years)
Enterprise resource planning software	5
Operating and Marketing rights	5
Other software licenses	3

Assets costing less than or equal to ₹ 5,000 are fully depreciated @ 100% pro-rata from date of acquisition

2.4 Impairment of Assets

Assessment is done at each balance sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each balance sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

2.5 Investments

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investment are made, are classified as current investments. All other investments are classified as long term investments. Current investments are carried at cost or fair value, whichever is lower. Long-term investments are carried at cost. However, provision for diminution is made to recognise a decline, other than temporary, in the value of investments, such reduction being determined and made for such investment individually.

2.6 Foreign Currency Transactions

Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

Exchange differences on restatement of all other monetary items are recognized in the Statement of Profit and Loss.

Translation of foreign operations

Foreign operations are classified as 'integral' operation. The financial statements of an integral foreign operation are translated using the principles and procedures as if the transactions of the foreign operation are those of the Company itself.

2.7 Revenue Recognition

The Company earns revenue significantly from the following sources viz.

- a) Recruitment solutions through its career web site, Naukri.com:-

Revenue is received in primarily the form of subscription fees, which is recognized over the period of subscription / advertising agreement, usually ranging between one to twelve months.
- c) Placement search division, Quadrangle:-
Revenue is received in the form of fees, for placements at various levels in a client's organization. Revenue is booked on the successful completion of the search and selection activity.
- d) Real Estate broking division:-
Commission income on property bookings placed with builders/developers is accrued once the related services have been rendered by the Company.
- e) Resume Sales Service:-
The revenue from Resume Sale Services is earned in the form of fees and is recognized on completion of the related service.

Revenue in relation to rendering of the services mentioned in (a) & (b) above are measured under the proportionate completion method and rendering of the services mentioned in (c) to (e) above are measured under the completed service contract method.

In respect of a) and b) above, the unaccrued amounts are reflected in the Balance sheet as Income received in advance (deferred sales revenue).

All the above sources of revenue are shown net of service tax and is not recognized in instances where there is uncertainty with regard to ultimate collection. In such cases revenue is recognized on reasonable certainty of collection.

2.8 Other Income

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding at the rate applicable and where no significant uncertainty as to measurability or collectability exists.

Dividend

Dividend from investments is recognized when the right to receive the payment is established and when no significant uncertainty as to measurability or collectability exists.

2.9 Employee Benefits

The Company has Defined Contribution plan for the post-employment benefits namely Provident Fund which is administered through the Regional Provident Fund Commissioner and the contributions towards such fund are charged to the Statement of Profit and Loss. The Company's contribution to state plans namely Employee State Insurance Fund are also charged to the Statement of Profit and Loss. The Company does not carry any further obligations with respect to these funds, apart from contributions made on a monthly basis.

The Company has Defined Benefit plan namely gratuity for eligible employees in accordance with the Payment of Gratuity Act, 1972 the liability for which is determined on the basis of an actuarial valuation (using the Projected Unit Credit method) at the end of each year. The Gratuity Fund is recognized by the income tax authorities and is administered through Life Insurance Corporation of India under its Group Gratuity Scheme.

Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss as income or expense.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

Termination benefits are recognized as an expense immediately.

2.10 Employee Stock Option Based Compensation

Stock options granted to the employees and till March 31, 2014 to the non-executive Directors who accepted the grant under the Company's Stock Option Plan are accounted for as per the accounting treatment prescribed by the Guidance Note on Employee Share-based Payments issued by the Institute of Chartered Accountants of India as required by the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. The intrinsic value of the option being excess of market value of the underlying share immediately prior to date of grant over its exercise price is recognized as deferred employee compensation with a credit to employee stock option outstanding account. The deferred employee compensation is charged to Statement of Profit and Loss on straight line basis over the vesting period of the option. The options that lapse are reversed by a credit to employee compensation expense, equal to the amortised portion of value of lapsed portion and credit to deferred employee compensation expense equal to the un-amortised portion.

2.11 Taxes on Income

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognized and carried forward only to the extent there is a reasonable/virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. The carrying amount of deferred tax assets are reviewed at each Balance Sheet date.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

2.12 Provisions and Contingent Liabilities

Provisions are recognized when there is a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.13 Leases**a) Operating leases**

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease payments under an operating leases are recognised as an expense in the Statement of Profit and Loss on a straight line basis over the period of lease.

b) Finance leases

Assets acquired on lease where the Company has substantially all the risks and rewards incident to ownership are classified as finance leases. Such assets are capitalized at the inception of the lease at lower of the fair value of the leased asset at the inception of the lease and the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease payment is apportioned between the finance charge and the reduction of the outstanding liability. The outstanding liabilities included in other long term borrowings. The finance charge is charged to the Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

2.14 Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relates to the Company as a whole and are not allocable to segments on a reasonable basis, have been included under unallocated expenses/income.

2.15 Cash and cash equivalents

In the cash flow statement, cash and cash equivalents include cash in hand and demand deposits with bank with original maturities of three months or less.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

2.16 Earnings Per Share (EPS)

Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's EPS comprises of the net profit for the year after tax. The number of equity shares used in computing Basic EPS is the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year and for the previous year is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholder and weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

For the purpose of calculating basic EPS, shares allotted to ESOP trust pursuant to the employee share based payment plan are not included in the shares outstanding till the employees have exercised their right to obtain shares, after fulfilling the requisite vesting conditions. Till such time, the shares so allotted are considered as dilutive potential equity shares for the purpose of calculating diluted EPS.

2.17 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

32. (1) Employee Stock Option Scheme (ESOP)

The Company has set up a trust to administer the ESOP scheme under which Stock appreciation rights(SAR)/options have been granted to employees and till March 31, 2014 to the non-executive Directors . Under this scheme the employees can purchase equity shares by exercising the SAR/options as vested at the price specified in the grant. The options granted till March 31, 2016 have a vesting period of maximum of 3 years from the date of grant.

- Number of SAR/options granted, exercised and forfeited during the year:-

	2015-16		2014-15	
	Number	Weighted Average Price (₹)	Number	Weighted Average Price (₹)

Expected volatility	33.14%	32.24%	32.02%	31.94%
Weighted average share price	792.05	793.06	849.45	817.55

33. The Company has received various legal notices of claims/lawsuits filed against including suits relating to infringement of Intellectual Property Rights (IPR), Consumer suits, etc.in relation to the business activities carried on by it. In the opinion of the management, no material liability is likely to arise on account of such claims/law suits.

34. The Company has considered business segment as the primary segment. The Company is primarily in the business of internet based service delivery operating in four service verticals through various web portals in respective verticals namely recruitment solutions comprising primarily naukri.com, other recruitment related portals and ancillary services related to recruitment, 99acres.com for real estate related services, Jeevansathi.com for matrimony related services and Shiksha.com for education related services.

Considering the changing trend in scale of operations in some of the service verticals, the management has started monitoring the performance of each of these verticals on regular basis with effect from quarter ended June 30, 2015 and therefore these have been considered as reportable segments under Accounting Standard 17 on Segment Reporting. The reportable segments represent "Recruitment Solutions" and "99acres" and the "Others" segment which comprises primarily Jeevansathi and Shiksha service verticals since they individually do not meet the qualifying criteria for reportable segment as per the said Accounting Standard. Further, prior year comparatives for the year ended

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

March 31, 2015 for the reportable segments are not disclosed as the management has started monitoring effectively from the current year and further it is impracticable to compute strictly comparable numbers.

39. The Company has made long term strategic investments in certain subsidiaries/associate companies, which are in their initial/developing stage of operation and would generate growth and returns over a period of time. These subsidiaries/associates have incurred significant expenses for building the brand and market share which have added to the losses of these entities, thereby resulting in erosion of their net worth as at March 31, 2016. Based on the potential of the business model of these entities to generate profits, coupled with recent third party valuations, management is of the opinion that considering the nature of the industry and the stage of operations of these entities there is no diminution in carrying value of the investments as compared to their current net worth and therefore no provision is required at this stage.

- a) During the year, the Company has transferred its investment [5,975 (Previous year- 5975) equity and 2,673 (Previous year- 2672) compulsorily convertible preference shares] in eTechaces Marketing & Consulting Private Limited (EMCPL) to its subsidiary Makesense Technologies Limited (MTL) formerly known as Makesense Technologies Pvt. Ltd. for a consideration of ₹ 513.39 Mn (Previous Year- ₹ 500 Mn) thereby resulting in a profit of ₹ 341.60 Mn (Previous year- ₹ 346.79 Mn), which is shown as an exceptional item in the Statement of Profit and Loss. The Audit Committee and the Board of Directors had approved the transaction during the year ended March 31, 2015, taking a holistic view of the same, based on the business rationale, which when considered in its entirety, provides a sound basis to conclude that the transaction is not prejudicial to the interest of the Company or its shareholders and demonstrates the intention of the Company to transact at arm's length with its subsidiary.
- b) This represents an additional provision for bonus related to April 1, 2014 to March 31, 2015 amounting to ₹ 29.42 Mn pursuant to retrospective amendment to "The Payment of Bonus Act, 1965" notified on January 1, 2016.
- c) During the year, diminution in the carrying value of investment amounting to ₹ 426.76 Mn has been made in respect of Canvera Digital Technologies Private Limited for decline considered as other than temporary (represented by investments in equity shares of ₹ 25.61 Mn and Preference shares of ₹ 401.15 Mn).
- d) An advance of ₹ 55.18 Mn, was given to a party in earlier years who was appointed as the consultant/contractor for a project to construct an office building on a Company's leased land. On the basis of the current and future business plans of the Company, it is unlikely that the Company will require construction of this office building in the near future. Considering change in business plans and the low recovery of this advance from the party, the Company has deemed it appropriate to provide for the remaining advance of ₹ 55.18 Mn, which is shown as an exceptional item in the Statement of Profit and Loss for the year ended March 31, 2015.
44. Based on the information available with the Company, the Company has certain dues to suppliers registered under the "The Micro, Small and Medium Enterprises Development Act, 2006" ('MSMED Act'). The disclosures pursuant to the said MSMED Act are as follows:

INDEPENDENT AUDITORS' REPORT

To the Members of Info Edge (India) Limited

Report on the Consolidated Financial Statements

1. We have audited the accompanying consolidated financial statements of Info Edge (India) Limited ("hereinafter referred to as the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and associate companies; (refer Note 25 to the attached consolidated financial statements), comprising of the consolidated Balance Sheet as at March 31, 2016, the consolidated Statement of Profit and Loss, the consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as "the Consolidated Financial Statements").

Management's Responsibility for the Consolidated Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associates in accordance with accounting principles generally accepted in India including the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of Consolidated Financial Statements. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates respectively and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
4. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.
6. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 8 of the Other Matters paragraph below, other than the unaudited financial statements as certified by the management and referred to in sub-paragraph 9 of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group and its associates as at March 31, 2016 and their consolidated loss and their consolidated cash flows for the year ended on that date.

Other Matter

8. We did not audit the financial statements of 8 subsidiaries whose financial statements reflect total assets of ₹ 7,785.10 Million and net assets of ₹ 7,076.41 Million as at March 31, 2016, total revenue of ₹ 2,065.17, net loss of ₹ 5,806.76 and net cash out flows amounting to ₹ 792.81 for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of ₹ 0.49 Million for the year ended March 31, 2016 as considered in the consolidated financial statements, in respect of 1 associate company whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of these subsidiaries and associate company and our report in terms of sub-section (3) of Section 143 of the Act insofar as it relates to the aforesaid subsidiaries and associates, is based solely on the reports of the other auditors.

9. The consolidated financial statements also include the Group's share of net loss of ₹ 11.6 Million for the year ended March 31, 2016 as considered in the consolidated financial statements, in respect of 4 associate companies whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management, and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of these associate companies and our report in terms of sub-section (3) of Section 143 of the Act insofar as it relates to the aforesaid associates, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

10. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law maintained by the Holding Company, its subsidiaries included in the Group and associate companies incorporated in India including relevant records relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and records of the Holding Company and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained by the Holding Company, its subsidiaries included in the Group and associate companies incorporated in India including relevant records relating to the preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and associate companies incorporated in India, none of the directors of the Group companies and its associate companies incorporated in India is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, its subsidiary companies and associate companies incorporated in India and the operating effectiveness of such controls, refer to our separate Report in Annexure A.
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were no pending litigations as at March 31, 2016 which would impact the consolidated financial position of the Group and its associates.
 - ii. The Group and its associates did not have any long-term contracts including derivative contracts as at March 31, 2016.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company during the year ended March 31, 2016. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by its subsidiary companies and associate companies incorporated in India during the year ended March 31, 2016.

ANNEXURE A TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members of Info Edge (India) Limited on the consolidated financial statements for the year ended March 31, 2016

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of Info Edge (India) Limited (hereinafter referred to as "the Holding Company") its subsidiary companies and its associate companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding company, its subsidiary companies and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports insofar as it relates to 8 subsidiary companies and one associate company and insofar as it relates to the unaudited 4 associate companies is based on representation received from the management referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 8 subsidiary companies and 1 associate company and insofar as it relates to the unaudited 4 associate companies is based on representation received from the management (also refer para 8 & 9 of the Independent Auditors' Report above), which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not qualified in respect of this matter.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. General Information

Info Edge (India) Limited (the Company) was incorporated under the laws of India on May 1, 1995 and has ten subsidiaries and Five associate companies (The Group) as at March 31, 2016. The subsidiaries are Jeevansathi Internet Services Private Limited, Naukri Internet Services Limited, Info (Edge) India Mauritius Ltd (under liquidation), Startup Investment (Holding) Ltd, Allcheckdeals India Private Ltd (having one subsidiary), Applect Learning Systems Private Ltd, Zomato Media Private Limited (formerly known as DC Foodiebay Online Services Private Limited) (Having Nine subsidiaries, 28 step down subsidiaries and 1 joint venture) and Makesense Technologies Private Limited, Startup Internet Services Limited, Smartweb Internet Services Limited, The associate companies are Kinobeo Software Private Limited, Happily Unmarried Marketing Private Limited, Canvera Digital Technologies Private Limited, Mint Bird Technologies Private Limited and Rare Media Company Private Limited.

2. Significant Accounting Policies**2.1 Basis of Preparation of Consolidated Financial Statements**

The consolidated financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of services and the time between the rendering of service and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non current classification of assets and liabilities.

The financial statements of the parent company and the subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances / transactions in full as per Accounting Standard 21 on Consolidated Financial Statements. Unrealized profit/Losses resulting from intra-group transactions have also been eliminated except to the extent that recoverable value of related assets is lower than their cost to the group.

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements. Differences in accounting policies have been disclosed separately.

Investment in associates (entity over which the Company exercises significant influence, which is neither a subsidiary nor a joint venture) are accounted for using the equity method as per Accounting Standard 23 on Accounting for Investments in Associates in Consolidated Financial Statements. The consolidated financial statements include the share of profit/loss of associate companies, which are accounted under the 'Equity method' as per which the share of profit/loss of the associate company has been adjusted to the carrying amount of investment. Further, for the purpose of consolidation, the proportionate share of profit / loss of associate companies to the extent of investment in equity shares has been considered.

Investments in jointly controlled entities have been accounted using proportionate consolidation method whereby the Group includes its share of the assets, liabilities, income and expenses of the jointly controlled entities in its consolidated financial statements as per AS 27 on 'Financial Reporting of Interests in Joint Ventures' after elimination of intra-group balances, intra-group transactions and unrealized profit or loss on transactions between the group companies to the extent of the Company's proportionate share, except where cost cannot be recovered.

Minorities' interest in net profits of consolidated subsidiaries for the year is identified and adjusted against the income in order to arrive at the net income attributable to the shareholders of the Group. Their share of net assets is identified and presented in the Consolidated Balance Sheet separately. Where accumulated losses attributable to the minorities are in excess of their equity, in the absence of the contractual obligation on the minorities, the same is accounted for by the holding company.

Reserves shown in the consolidated balance sheet represent the Group's share in the respective reserves of the Group companies.

The financial Statements of the entities used for the purpose of consolidation are drawn up to same reporting date as that of the company i.e. year ended March 31, 2016.

2.2 Goodwill**a) On Consolidation**

Goodwill represents the difference between the cost of acquisition and the Company's share in the net worth of a subsidiary/ associate company at each stage of making the investment in the subsidiary/associate company. For this purpose, the Group's share of net worth is determined on the basis of the latest financial statements prior to the acquisition after making necessary adjustments for material events, if any, between the date of such financial statements and the date of the respective acquisition.

Assessment is done at each balance sheet date as to whether there is any indication that goodwill may be impaired. If any such indication exists, an estimate of the recoverable amount is made and goodwill whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use.

2.3 Fixed Assets

Tangible Assets are stated at cost of acquisition along with related taxes, duties and incidental expenses related to these assets, net of accumulated depreciation and accumulated impairment losses, if any.

Intangible assets are stated at their cost of acquisition, net of accumulated amortization and accumulated impairment losses, if any.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realizable value and are shown separately in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss.

Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognized in the Statement of Profit and Loss.

2.4 Depreciation and amortisation**Tangible Assets**

Depreciation is provided on a pro-rata basis on the straight-line method over the estimated useful lives of assets, based on internal assessment and independent technical evaluation carried out by an external valuer which are equal to / lower than the life prescribed under Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets:

Assets	Estimated life (Years)
Building	60
Computers	2-3
Office Equipment	2-5
Vehicles	6-8
Plant and Machinery	3-15
Furniture & Fixtures	3-10

Leasehold land and leasehold improvements are amortised over the lease period or useful lives of the related assets, whichever is lower.

Intangible Assets

Intangible Assets are amortized under straight line Method over the estimated useful lives of the assets, which are as follows:

Assets	Estimated life (Years)
Other Software Licenses	3-6
Enterprise Resource Planning Software	5
Operating and Marketing Rights	5
Trademark/ Brand	5
Customer contract and relationships	5
Technology platform	5
Content review	5
Goodwill	5

Assets costing less than or equal to ₹ 5,000 are depreciated / amortised @ 100% pro-rata from date of acquisition.

The consolidated financial statements have been prepared using the same accounting policies as that of the Company except for depreciation on the assets of Applect Learning Systems Private Ltd which is being provided on written down value method at the rates and in the manner as prescribed in Schedule II to the Companies Act, 2013, total of such depreciation being ₹27.74 Mn (previous year - ₹25.65 Mn) which has a consequential impact on the written down value of these fixed assets.

2.5 Impairment of Assets

Assessment is done at each balance sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each balance sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

2.6 Investments

Investments that are readily realizable and are intended to be held for not more than one year from the date, on which such investment are made, are classified as current investments. All other investments are classified as long term investments. Current investments are carried at cost or fair value, whichever is lower. Long-term investments are carried at cost. However, provision for diminution is made to recognize a decline, other than temporary, in the value of investments, such reduction being determined and made for such investment individually.

2.7 Foreign Currency Transactions**Initial Recognition**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

Exchange differences on restatement of all other monetary items are recognized in the Statement of Profit and Loss.

Translation of foreign operations

Foreign operations are classified as either "integral" or "non-integral" operation. Exchange differences arising on a monetary item that, in substance, forms part of an enterprise's net investment in a non-integral foreign operation are accumulated in the foreign currency translation reserve until the disposal of the net investment, at which time they are recognized as income or as expenses. The financial statements of an integral foreign operation are translated using the principles and procedures as if the transactions of the foreign operation are those of the company itself.

The assets and liabilities of a non-integral foreign operation are translated into the reporting currency at the exchange rate prevailing at the reporting date. Their statement of profit and loss are translated at exchange rates prevailing at the dates of transactions or weighted average weekly rates, where such rates approximate the exchange rate at the date of transaction. The exchange differences arising on translation are accumulated in the foreign currency translation reserve. On disposal of a non-integral foreign operation, the accumulated foreign currency translation reserve relating to that foreign operation is recognized in the statement of profit and loss.

2.8 Revenue Recognition

The Group earns revenue significantly from the following sources viz.

- a) Recruitment solutions through its career web site, Naukri.com:-

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

2.10 Employee Benefits

The Group has Defined Contribution plan for the post-employment benefits namely Provident Fund which is administered through the Regional Provident Fund Commissioner and the contributions towards such fund are charged to the Statement of Profit and Loss. The Company's contribution to state plans namely Employee State Insurance Fund are also charged to the Statement of Profit and Loss. The Company does not carry any further obligations with respect to these funds, apart from contributions made on a monthly basis.

Employees' State Insurance Scheme: Contribution towards employees' state insurance scheme is made to the regulatory authorities, where the Group has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

The Group has Defined Benefit plan namely gratuity for eligible employees in accordance with the Payment of Gratuity Act, 1972 the liability for which is determined on the basis of an actuarial valuation (using the Projected Unit Credit method) at the end of each year. The Gratuity Fund is recognized by the income tax authorities and is administered through Life Insurance Corporation of India under its Group Gratuity Scheme for the employees of the company and one of its subsidiary, while for the other subsidiary companies it is unfunded.

Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss as income or expense.

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year, are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or uncashed beyond 12 months from the end of the year, are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

In case of foreign Subsidiary companies, Contribution are made as per the Respective country laws and Regulations. The same is charged to statement of profit and loss on accrual basis. There is no obligation beyond the Contribution made by these companies.

2.11 Employee Stock Option Based Compensation

Stock options granted to the employees and till March 31, 2014 to the non-executive Directors who accepted the grant under the Company's Stock Option Plan are accounted for as per the accounting treatment prescribed by the Guidance Note on Employee Share-based Payments issued by the Institute of Chartered Accountants of India as required by the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. The intrinsic value of the option being excess of market value of the underlying share immediately prior to date of grant over its exercise price is recognized as deferred employee compensation with a credit to employee stock option outstanding account. The deferred employee compensation is charged to Statement of Profit and Loss on straight line basis over the vesting period of the option. The options that lapse are reversed by a credit to employee compensation expense, equal to the amortized portion of value of lapsed portion and credit to deferred employee compensation expense equal to the un-amortized portion.

In case of Zomato Media Private Limited cost of equity-settled transactions is measured using the fair value method in accordance with the SEBI (Share Based Employee Benefits) Regulation, 2014 and the Guidance Note on Accounting for Employee Share-based payments. The cumulative expense recognized for equity-settled transaction at each reporting date until the vesting date reflects the extent to which the vesting period has expired and company's best estimate of the number of equity instrument that will ultimately vest. The expense or credit recognized in the statement of profit and loss for a period represents the movement in cumulative expense recognized as at the beginning and end of that period and is recognized in employee benefits expense. Total of such employee stock option based compensation expense which has been measured using fair value method is ₹ 135.33 Mn (previous year -₹ 229.06 Mn).

2.12 Taxes on Income

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognized and carried forward only to the extent there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized. In cases where there are carry forward losses under tax laws, all deferred tax certainly supported by convincing evidence that they can be realised against future taxable profits. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. The carrying amount of deferred tax assets are reviewed at each Balance Sheet date.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

2.13 Provisions and Contingencies

Provisions are recognized when there is a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

2.14 Leases**a) Operating leases**

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease payments under operating leases are recognized as an expense in the Statement of Profit and Loss on a straight line basis over the period of lease.

b) Finance leases

Assets acquired on lease where the Company has substantially all the risks and rewards incident to ownership are classified as finance leases. Such assets are capitalized at the inception of the lease at lower of the fair value of the leased asset at the inception of the lease and the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease payment is apportioned between the finance charge and the reduction of the outstanding liability. The outstanding liabilities included in other long term borrowings. The finance charge is charged to the Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period

2.15 Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies for the Group. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relates to the Group as a whole and are not allocable to segments on a reasonable basis, have been included under unallocated expenses/income.

2.16 Cash and cash equivalents

In the cash flow statement, cash and cash equivalents include cash in hand and demand deposits with bank with original maturities of three months or less.

2.17 Earnings per Share (EPS)

Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's EPS comprises of the net profit for the year after tax. The number of equity shares used in computing Basic EPS is the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year and for the previous year is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholder and weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

For the purpose of calculating basic EPS, shares allotted to ESOP Trust pursuant to the employee share based payment plan are not included in the shares outstanding till the employees have exercised their right to obtain shares, after fulfilling the requisite vesting conditions. Till such time, the shares so allotted are considered as dilutive potential equity shares for the purpose of calculating diluted EPS.

2.18 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

** For Zomato Media Private Limited

The expected life of the stock is based on historical data and current expectations and is not necessarily indicative of exercise patterns that may occur. The expected volatility reflects the assumption that the historical volatility over a period similar to the life of the options is indicative of future trends, which may also not necessarily be the actual outcome.

33. The Group has received various legal notices of claims/lawsuits filed against including suits relating to infringement of Intellectual Property Rights (IPR), Consumer suits, etc.in relation to the business activities carried on by it. In the opinion of the management, no material liability is likely to arise on account of such claims/law suits.
34. The Group has considered business segment as the primary segment. The Group is primarily in the business of internet based service delivery operating in four service verticals through various web portals in respective verticals namely recruitment solutions comprising primarily naukri.com, other recruitment related portals and ancillary services related to recruitment, 99acres.com for real estate related services, Jeevansathi.com for matrimony related services and Shiksha.com for education related services, merination.com for online/offline coaching services and zomato.com for online food services.

Considering the changing trend in scale of operations in some of the service verticals, the management has started monitoring the performance of each of these verticals on regular basis with effect from quarter ended June 30, 2015 and therefore these have been considered as reportable segments under Accounting Standard 17 on Segment Reporting. The reportable segments represent "Recruitment Solutions", "99acres", "Online restaurant discovery" and the "Others" segment which comprises primarily Jeevansathi and Shiksha & Coaching service verticals since they individually do not meet the qualifying criteria for reportable segment as per the said Accounting Standard. Further, prior year comparatives for the year ended March 31, 2015 for the reportable segments are not disclosed as the management has started monitoring effectively from the current year and further it is impracticable to compute strictly comparable numbers.

- IEIL: - ₹ 401.15 Mn represented by investments in Preference shares (excluding ₹ 25.61 which have been adjusted against share of losses in earlier years)
 - SWISL: ₹ 36.57 Mn represented by investments in Preference shares of ₹ 36.57 Mn
- c) Impairment of intangible assets (Brand, Customer Contract & Relationship, Technology Platform, Content/Reviews, Restaurants Listing Platform and Goodwill) of ZMPL
- d) An advance of ₹ 55.18 Mn, was given to a party in earlier years who was appointed as the consultant/contractor for a project to construct an office building on a Company's leased land. On the basis of the current and future business plans of the Company, it is unlikely that the Company will require construction of this office building in the near future. Considering change in business plans and the low recovery of this advance from the party, the Company has deemed it appropriate to provide for the remaining advance of ₹ 55.18 Mn, which is shown as an exceptional item in the Statement of Profit and Loss for the year ended March 31, 2015.

39. During the year ended March 31, 2015, the Company had issued 10,135,135 equity shares of ₹ 10/- each fully paid up at ₹ 740/- per share (including securities premium of ₹ 730/- per share) to qualified institutional buyers on September 12, 2014 pursuant to Qualified Institutional Placement (QIP) document, dated September 10th, 2014, as per provisions of section 42 of Companies Act, 2013 read with rule 14 of the Companies (Prospectus and Allotment of Securities) Rules 2014, and Chapter VIII of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 which have been listed in the respective Stock Exchanges on September 16, 2014. Expenses incurred in relation to QIP amounting to ₹ 155.65 Mn had been adjusted from Securities Premium Account during the year ended March 31, 2015. The utilization out of such net amount of ₹ 7,344.35 Mn till March 31, 2016 is given below. The balance amount of QIP proceeds remains invested in Mutual Funds (Debt) & Term Deposits with banks.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

40. During the year, the Company has issued 500,000 (Previous year- 300,000) and 200,000 (Previous year – 600,000) equity shares of ₹ 10/- (Previous year ₹ 10/-) each fully paid up at ₹ 10/- (Previous year ₹ 10/-) per share and ₹100 (Previous year ₹ 250/-) per share respectively to Info Edge Employees Stock Option Plan Trust, which have been duly listed in the respective Stock Exchanges, ranking pari passu with the existing equity shares of the Company. Out of the above, dividend of ₹ 0.40 Mn (Previous year ₹ 0.90 Mn) was paid on 200,000 (Previous year 600,000) equity shares for which no dividend was proposed as on March 31, 2015, since shares were issued subsequent to that date, ranking pari passu with the existing equity shares of the Company and were entitled to such dividends and corporate benefits.
41. In case of Zomato Midia Brasil Ltda.(ZMBL subsidiary of ZMPL), provision for contingencies of ₹ 3.71 Mn (Previous year ₹ 3.90 Mn) is in relation to possible labor and social security claims of employees as a result of employment contracts, prior to establishment of the Company, given the fact that they were all admitted to the Company. The provision is based on labor rights of calculations such as vacation, 13 month salary and other labor rights, and any rights not matched by the Company.
The amount is estimated by management and its legal counsel, considered sufficient to cover possible labor lawsuits in analysis of current situation.
42. The accounts of some of the subsidiaries and the associate companies considered in consolidation have been prepared on a going concern basis despite significant erosion in their net worth. The applicability of the going concern assumption is considered to be appropriate on the basis of the business activities of these companies, together with the factors likely to affect their future development and performance along with their financial position and projected cash flows. These have been reviewed by the respective Board of Directors and they have a reasonable expectation that these companies have adequate resources to continue in operational existence for the foreseeable future.
43. For the purpose of consolidation of financial statements of the Group as regards the investments in
Associate companies: Unaudited Profit after tax of CDTPPL, RARE MEDIA, MBTPL, & Mydala have been considered. It is unlikely that the audited results for CDTPPL would be materially different from unaudited financial statements and for RARE MEDIA, MBPTL & Mydala it is not relevant for the purpose of this financial statements since the Group does not have equity shareholding.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ZOMATO MEDIA PRIVATE LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Zomato Media Private Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and jointly controlled entities, comprising of the consolidated Balance Sheet as at March 31, 2016, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms with the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014. The respective Board of Directors of the companies included in the Group and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph (a) of the Other Matters below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group, and jointly controlled entities as at March 31, 2016, their consolidated loss, and their consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

Other Matter

- (a) The accompanying consolidated financial statements include total assets of ₹.122,470,811 as at March 31, 2016, and total revenues and net cash outflows of ₹.127,728,895 and ₹.32,089,639 for the year ended on that date, in respect of certain subsidiaries and their branch offices (collectively referred to as 'subsidiaries') and Turkey, branch of the India Parent, which have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of such other auditors.
- (b) The accompanying consolidated financial statements include total assets of ₹ 15,870,937 as at March 31, 2016, and total revenues and net cash outflows of ₹ 235,107 and ₹ 7,620,754 for the year ended on that date, in respect of 15 subsidiaries, which have not been audited, which unaudited financial statements and other unaudited financial information have been furnished to us. Our opinion, in so far as it relates amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries, is based solely on such unaudited financial statement and other unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements and other financial information are not material to the Group.
- (c) The accompanying consolidated financial statements include total assets of ₹.97,987,687 as at March 31, 2016, and total revenues and net cash outflows of ₹.89,580,454 and ₹.15,828,660, respectively for the year ended on that date, in respect of subsidiaries, and branch office of India parent (collectively, the, "Components"), derived from the financial statements of those Components, which have been audited by other auditors. Such audited financial statements, other financial information and the auditor's report(s) thereon have been furnished to us by the holding Company's management. Certain of these Components are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors who have submitted their audit reports, prepared under generally accepted auditing standards applicable in their respective countries, to the shareholders of these entities. The holding company's management has converted the financial statements and other financial information of the Components located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We audited the adjustments, which were applied to prepare the 2016 consolidated financial statements, made by the Holding Company's management to convert the financial statements of these Components from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. Our opinion on the consolidated financial statements, report in terms of sub-sections (3) and (11) of Section 143 of the Act and matters stated under the section "Other Legal and Regulatory Requirements" above, in so far as it relates to the aforesaid Components, is based solely on the reports of such other auditors. Our opinion is not modified in respect of this matter.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management

ANNEXURE-1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ZOMATO MEDIA PRIVATE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of Zomato Media Private Limited

In conjunction with our audit of the consolidated financial statements of Zomato Media Private Limited as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of Zomato Media Private Limited (hereinafter referred to as the "Holding Company") and its subsidiary Zomato Internet Private Limited, which are the companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding Company, which is company incorporated in India, is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary Zomato Internet Private Limited are the companies incorporated in India, have, maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2016**1. Corporate information**

Zomato Media Private Limited, its subsidiaries (including its branches) and a jointly controlled entity (hereinafter collectively referred to as 'the Group') are operating an internet portal providing all sorts of information, including but not limited to details of menus, contacts, discount offers, quality of service & food about restaurants & caterers, and other service providers, online ordering of food from select restaurants, to be availed by users of the website in making informed decisions about their dining options and related facilities and by restaurants, hotels and other caterers to advertise themselves to the target audience in India & abroad.

2. Principles of Consolidation

The consolidated financial statement relates to Zomato Media Private Limited ('the Company'), its subsidiary companies and jointly controlled entities ('the Group Companies') collectively referred to as 'the Group'. The consolidated financial statements have been prepared on the following basis:-

- (i) The financial statements of the parent and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, incomes and expenses after eliminating intra-group balances / transactions and resulting profits in full. Unrealized profit / losses resulting from intra-group transactions has also been eliminated except to the extent that recoverable value of related assets is lower than their cost to the group.
- (ii) The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements. Differences in accounting policies have been disclosed separately.
- (iii) The difference between the cost to the Group of investment in Subsidiaries and the proportionate share in the equity of the investee company as at the date of acquisition of stake, if any, is recognized in the consolidated financial statements as Goodwill or Capital Reserve, as the case may be. Goodwill arising on consolidation is tested for impairment at the Balance Sheet date.
- (iv) Minorities' interest in net profits of consolidated subsidiaries for the year is identified and adjusted against the income in order to arrive at the net income attributable to the shareholders of the Group. Their share of net assets is identified and presented in the Consolidated Balance Sheet separately. Where accumulated losses attributable to the minorities are in excess of their equity, in the absence of the contractual obligation on the minorities, the same is accounted for by the holding company.
- (v) Investments in jointly controlled entities have been accounted using proportionate consolidation method whereby the Group includes its share of the assets, liabilities, income and expenses of the jointly controlled entities in its consolidated financial statements as per AS 27 on 'Financial Reporting of Interests in Joint Ventures' after elimination of intra-group balances, intra-group transactions and unrealized profit or loss on transactions between the group companies to the extent of the Company's proportionate share, except where cost cannot be recovered.
- (vi) The financial statements of the entities used for the purpose of consolidation are drawn up to same reporting date as that of the Company i.e. year ended March 31, 2016.

The entities considered in the Consolidated Financial Statements are listed below:

2.1 Summary of significant accounting policy:

Change in Accounting Policy

I. Intangible assets

Till the year ended 31 March 2015, purchased goodwill was being amortized over a period of 5 years on a straight line basis. In the current year, management has changed the policy and has decided to test the goodwill for impairment at each reporting date as against the policy of amortizing over a period of 5 years which was being followed hitherto.

Had the company continued to use the earlier estimate of amortizing purchased goodwill, the loss for the year (net of tax of INR Nil) would have been higher by INR 113,972,309.

(a) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(b) Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the assets to its working condition for the intended use.

Subsequent expenditure related to an item of fixed assets is added to its book value only if increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses of existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenditure are incurred.

Gain or losses if any from de-recognition of fixed assets are measured as the difference between the net disposal proceed and the carrying amount of the assets and are recognized in the statement of profit and loss when the assets are de-recognized.

(c) Depreciation on tangible fixed assets

Depreciation is provided using the Straight Line Method as per the useful life of the assets estimated by the management. The company has used the following rates (except in Brazil, Chile, Czech Republic, Poland, Portugal, Slovakia, Netherlands and Turkey) to provide depreciation on its fixed assets. The management has assessed that impact of such difference in rates is not material in context of overall financial statements.

Fixed Assets	Useful lives estimated by management
Air Conditioner	3 years
Electrical Equipments	3 years
Furniture & Fittings	3 years
Computers	2 years
Motor Vehicles	8 years
Telephone Instruments	2 years
Leasehold Improvement	4 Years or life based on lease period, whichever is lower

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2016

Based on the expected useful life of these assets, the company has considered below useful lives for different classes of assets.

- The useful lives of electrical equipments, furniture & fittings, computers, air conditioner and telephone instruments are estimated as 3, 3, 2,3 and 2 years respectively. These lives are lower than those indicated in schedule II.

Depreciation on the assets purchased during the year is provided on pro rata basis from the date of purchase of fixed assets. Individual assets costing upto ₹ 5,000 are depreciated fully in year of purchase.

(d) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in an amalgamation in the nature of purchase is their fair value as at the date of amalgamation. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortized on a straight line basis over a period of two years. The group uses a rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use. If the persuasive evidence exists to the effect that useful life of an intangible asset exceeds ten years, the company amortizes the intangible asset over the best estimate of its useful life.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Intangible assets acquired in a business combination are initially valued and recognized at fair market value using generally accepted valuation methods appropriate for the type of intangible asset. Intangible assets with definite lives are amortized over the estimated useful lives.

The Company's intangible assets are amortized over their estimated useful lives as listed (except in Brazil, Chile, Czech Republic, Poland, Portugal, Slovakia, Netherlands and Turkey) below using a straight line method. The management has assessed that impact of such difference in rates is not material in context of overall financial statements.

Nature of Assets	Life
Brand	5 years
Consumer contracts and relationship	5 years
Technology platform	5 years
Content review	5 years
Trademarks	5 years

(e) Goodwill

Goodwill (included under Intangible Assets) represents the difference between the group's share in the net worth of subsidiary and the cost of acquisition at each point of time of making the investment in subsidiary. For this purpose, the Group's share of net worth of subsidiary is determined on the basis of latest financial statements of the subsidiary prior to the acquisition, after making necessary adjustments for material events between of the date of such financial statements and date of respective acquisition.

Goodwill represents the cost of the acquired businesses in excess of the fair value of identifiable tangible and intangible net assets purchased. Goodwill is not amortized but is tested for impairment on an annual basis

(f) Leases**Where the Group is lessee**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

(g) Impairment of tangible and intangible assets

The group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the group estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount,

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2016

nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

(h) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(i) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The group collects service tax and value added tax on behalf of the government and, therefore, these are not economic benefits flowing to the group. Hence, they are excluded from revenue.

The following specific revenue recognition criteria must also be met before revenue is recognized :

Advertisement Income

Revenue from operating an internet portal providing all sorts of information about restaurants and caterers for display of advertisements are recognized on display of advertisements.

In case of Zomato USA, LLC, the display advertisement revenue is recognized on pay per click model. The company generates third party service fee by displaying or promoting their services or product offerings on its website. The revenue is recognized when number of users who click on the third party sponsored services or product offerings and thereby successfully avail the services such as table reservation and online food ordering.

Subscription revenue

Revenues from subscription contracts are recognized on accrual basis in accordance with terms of agreement entered into with customer.

Online Ordering

Revenues from Online Ordering are recognized in the form of commission income on accrual basis in accordance with the terms of agreement entered into with customers.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Dividends

Dividend income is recognized when the group's right to receive dividend is established by the reporting date.

(j) Foreign currency translation*Foreign currency transactions & balances***i. Initial recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii. Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

iii. Exchange differences

The group accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a. Exchange differences arising on monetary item that, in substance, form part of the Company's net investment in non-integral foreign operations is accumulated in the foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognized as income or as expenses.
- b. All other exchange differences are recognized as income or as expenses in the period in which they arise.

Translation of integral and non-integral foreign operation

The group classifies all its foreign operations as either "integral foreign operations" or "non-integral foreign operations." The financial statements of an integral foreign operation are translated as if the transactions of the foreign operation have been those of the company itself.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2016

The assets and liabilities of a non-integral foreign operation are translated into the reporting currency at the exchange rate prevailing at the reporting date. Their statement of profit and loss are translated at exchange rates prevailing at the dates of transactions or weighted average weekly rates, where such rates approximate the exchange rate at the date of transaction. The exchange differences arising on translation are accumulated in the foreign currency translation reserve. On disposal of a non-integral foreign operation, the accumulated foreign currency translation reserve relating to that foreign operation is recognized in the statement of profit and loss.

(k) Retirement and other employee benefits

Retirement benefit in the form of provident fund/social security is a defined contribution scheme. The group has no obligation, other than the contribution payable to the provident fund/social security. The group recognizes contribution payable to the provident fund scheme/social security scheme as expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

The group operates defined benefit plan for its employees, viz., gratuity. The cost of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out using the projected unit credit method. Actuarial gain and loss for defined benefit plan is recognized in full in the period in which they occur in the statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The group measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

In case of Turkey, the company has to pay social insurance premiums to Turkey Social Insurance Institutions. The company does not have any other obligations as long as the premiums are paid. These premiums are recognized into personnel expenses. These payments are calculated to a percentage of current gross wages and they are recognized as expense when they are incurred.

In case of other foreign subsidiary companies, contributions are made as per the respective country laws and regulations. The same is charged to statement of profit and loss on accrual basis. There is no obligation beyond the Company's contribution.

(l) Income taxes

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the group operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The group writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The group recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the group will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the group recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The group reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the group does not have convincing evidence that it will pay normal tax during the specified period.

(m) Employee Stock compensation cost

Employees (including senior executives) of the group receive remuneration in the form of share based payment transactions, whereby employees render services as consideration for equity instruments (equity-settled transactions).

In accordance with the Guidance Note on Accounting for Employee Share-based payments, the cost of equity-settled transactions is measured using the fair value method. The cumulative expense recognized for equity-settled transaction at each reporting date until the vesting date reflects the extent to which the vesting period has expired and company's best estimate of the number of equity instrument that will ultimately vest. The expense or credit recognized in the statement of profit and loss for a period represents the movement in cumulative expense recognized as at the beginning and end of that period and is recognized in employee benefits expense.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2016**(n) Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares is adjusted for events if any that have changed the number of equity shares outstanding without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

For the purpose of calculating basic EPS, shares allotted to ESOP trust pursuant to the employee share based payment plan are not included in the shares outstanding till the employees have exercised their right to obtain shares, after fulfilling the requisite vesting conditions. Till such time, the shares so allotted are considered as dilutive potential equity shares for the purpose of calculating diluted EPS.

(o) Segment reporting

The Company is engaged in operating an internet portal which is considered as the only reportable segment. Accordingly, the Company's business activities primarily fall within a single business segment. The analysis of geographical segments is based on the areas in which major operating divisions of the group operates. The 'others' segment include those segments, which are not separately reportable as per Accounting Standard 17.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment.

(p) Provisions

A provision is recognized when the group has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

(q) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The group does not recognize a contingent liability but discloses its existence in the financial statements.

(r) Cash and cash equivalent

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

31 Employee Stock Option Plan –ESOP-2014

The Company instituted the Employee Stock Option Plan to grant equity based incentives to its eligible employees. The ESOP scheme-FOODIEBAY Employee Stock Option Plan 2014 ("The Scheme") has been approved by the Board of Directors of the Company at their meeting held on 22 April 2014 and by the shareholders of the Company by way of special resolution passed at their Annual General Meeting held on June 27, 2014 to grant aggregating 27,089 options (not exceeding 2% of the issued, subscribed and paid up equity share capital of the Company as on March 31, 2014), representing one share for each option upon exercise by the employee of the Company at an exercise price determined by the Board. The Scheme covers grant of options to the specified permanent employees of the Company and Directors of the Company.

The options granted under the Scheme shall vest not less than one year and not more than four years from the date of grant of options. Option can be exercised at the time of liquidity or 9 years from the date of vesting, whichever is earlier. Once the options vest as per the Scheme, they would be exercisable by the Option Grantee at any time and the equity shares arising on exercise of such options shall not be subject to any lock-in period.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF APPLECT LEARNING SYSTEMS PRIVATE LIMITED

Report on the Financial Statements

1. We have audited the accompanying financial statements of Applect Learning Systems Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by 'the Companies (Auditor's Report) Order, 2016', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

APPLECT LEARNING SYSTEMS PRIVATE LIMITED

- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure A.
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - i. The Company does not have any pending litigations as at March 31, 2016 which would impact its financial position.

ANNEXURE A TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members of Applect Learning Systems Private limited on the financial statements for the year ended March 31, 2016.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Applect Learning Systems Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
- iv. The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185 and 186. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income tax and service tax though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including provident fund and employees' state insurance and other material statutory dues as applicable, with the appropriate authorities.
(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales-tax, service-tax, duty of customs, and duty of excise or value added tax which have not been deposited on account of any dispute.
- viii. As the Company does not have any loans or borrowings from any financial institution or bank or Government, nor has it issued any debentures as at the balance sheet date, the provisions of Clause 3(viii) of the Order are not applicable to the Company.
- ix. In our opinion, and according to the information and explanations given to us, the money raised by way of term loans have been applied for the purposes for which they were obtained. The Company has not raised any money by way of initial public offer and further public offer (including debt instruments).
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- xi. The Company does not pay remuneration to its managerial personnel and accordingly, the provisions of Clause 3(xi) of the Order are not applicable to the Company.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act, and accordingly, to this extent, the provisions of Clause 3(xiii) of the Order are not applicable to the Company.
- xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.
- xv. The Company has not entered into any non cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. GENERAL INFORMATION

Applect Learning Systems Private Limited (the Company) was incorporated on April 04, 2001 under the Companies Act, 1956 (the 'Act') and is primarily engaged in the business of providing online & offline educational services.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) of Companies Act, 1956 [Companies (Accounting Standards) Rules, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

The Ministry of Corporate Affairs (MCA) has notified the Companies (Accounting Standards) Amendment Rules, 2016 vide its notification dated 30 March 2016. The said notification read with Rule 3(2) of the Companies (Accounting Standards) Rules, 2006 is applicable to accounting period commencing on or after the date of notification i.e. 1 April 2016.

2.2 Fixed assets

Tangible fixed assets are stated at acquisition cost, net of accumulated depreciation.

Intangible assets are stated at acquisition cost, net of accumulated amortisation.

Cost includes original cost of acquisition, including related taxes, duties and incidental expenses related to such acquisition and installation.

Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognized in the Statement of Profit and Loss.

2.3 Depreciation and amortisation

Depreciation / Amortisation on fixed assets is provided on written down value method over the estimated useful lives of the assets as prescribed under Schedule II to the Companies Act, 2013:

Asset	Useful Life
Tangible assets	
Leasehold improvement	Lease period
Plant & Machinery	15 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Computers:	
-Servers	6 years
-End user devices such as, desktops, laptops etc.	3 years
Intangible assets	
Computer Software	6 years

Leasehold improvements are amortized over the lease period, which corresponds with the useful lives of the assets.

Depreciation on addition to fixed assets is provided on pro-rata basis from the date of acquisition of the assets. Depreciation on sale/deduction from fixed assets is provided upto the date preceding the date of sale, deduction, discardment, as the case may be.

2.4 Foreign Currency Transactions

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. Gains/Losses arising out of fluctuation in foreign exchange rate between the transaction date and settlement date are recognized in the Statement of Profit and Loss.

All monetary assets and liabilities in foreign currencies are restated at the end of accounting period at the exchange rate prevailing at the year end and the exchange differences are recognized in the Statement of Profit and Loss.

2.5 Revenue Recognition

The Company primarily earns revenue from online and offline coaching services.

Revenue from online and offline coaching is received in the form of subscription fees which is recognized over the period that coaching is imparted.

Revenue is shown net of service tax and is not recognized in instances where there is uncertainty with regard to ultimate collection. In such cases revenue is recognized on reasonable certainty of collection.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

2.6 Other Income

Interest Income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable and where no significant uncertainty as to measurability or collectability exists.

2.7 Employee Benefits

Provident Fund: Contribution towards provident fund is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

Gratuity: The Company provides for gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

Compensated Absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

Employees' s State Insurance Scheme: Contribution towards employees' state insurance scheme is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

2.8 Employee Stock Option Based Compensation

Equity settled stock options granted under "Applect Learning Systems Private Limited Option Plan 2009" are accounted for as per the accounting treatment prescribed by the Guidance Note on Employee Share based Payments issued by the Institute of Chartered Accountants of India. The Company follows the intrinsic value method and accordingly, the excess, if any, of the fair/market price of the underlying equity share as of the date of the grant of the option over the exercise price of the option, is recognised as "Employee stock option scheme compensation" cost and amortised over the vesting period.

2.9 Current and deferred tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. In situations, where the Company has unabsorbed depreciation or carry forward losses under tax laws, all deferred tax assets are recognised only to the extent that there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

2.10 Provisions and Contingent Liabilities

Provisions: Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.11 Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016**2.12 Earnings Per Share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit or loss for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all the periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.13 Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

2.14 Cash & Cash Equivalents

In the cash flow statement, cash and cash equivalents include cash in hand and demand deposit with bank with original maturities of three month or less.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

(b) Rights, preferences and restrictions attached to shares

Equity Shares: The Company has one class of equity shares having a par value of ₹10 per share. Each shareholder is eligible for one vote per share held. Dividend if any declared is payable in Indian Rupees. The dividend if any proposed by the Board of Directors is subject to the approval of the shareholders in Annual General Meeting.

Preference Shares: The Company has only one class of 0.1% OCCRPS having a par value of Re. 1 per share. Each shareholder is eligible for one vote per share held only if any proposed resolution directly affects any rights or the interest of the holder including resolution for winding up or reduction of share capital. Each OCCRPS is entitled to a preferential dividend of 0.1% per annum payable in Indian Rupees.

Ranking: The OCCRPS shall rank senior to all classes of shares currently existing or established hereafter, with respect to distributions and shall rank pari passu with the equity shares in all other respects including voting rights and adjustments for any stock splits, bonuses, sub-division, recapitalization, issuance of bonus shares, non-cash dividends/ distributions to holders of shares, reclassification, conversion, buyback, cancellation, consolidation or merger.

Dividends:

- (i) Each OCCRPS is entitled to a preferential dividend rate of 0.1% [Zero point one per cent] per annum (the "Preferential Dividend"). The Preferential Dividend is cumulative and shall accrue from year to year, whether or not paid. All accrued dividends shall be paid in full (together with dividends accrued from prior years) prior and in preference to any dividend or distribution.
- (ii) Dividends due and payable on any other shares of the Company will be subordinate to any dividend payable on the OCCRPS. Under no circumstances shall any amounts be paid or dividends declared on any shares other than the OCCRPS, until all dividends and other amounts due and owing on the OCCRPS shall have been paid in full.
- (iii) In addition, the OCCRPS shall fully participate with the Ordinary Shares in all dividends declared by the Company.

Redemption: If the Company has not received the Conversion Notice for the OCCRPS within 20 (twenty) years from the date of allotment, the OCCRPS shall be automatically redeemed by the Company without any action on the part of the holder of the OCCRPS.

Diluted Loss Per Equity Share (₹)	(13,723)	(7,633)
Face value per share (₹)	10	10

The Company is having following potential equity shares:

- A) Shares allotted to the Applect Employees Stock Option Plan Trust for issuance to employees in pursuance of the Employee Stock Option Plan.
- B) 10,000 0.1% OCCRPS equivalent to 1,334 Equity shares allotted to the parent company on December 05, 2013 as per Fifth Investment Agreement &
- C) 24,99,64,932 0.1% OCCRPS equivalent to 3,209 Equity Shares allotted to the parent company on June 12, 2015 as per Sixth Investment Agreement.

Since conversion of above mentioned potential equity shares (Shares allotted to ESOP trust and 0.1% OCCRPS) would decrease loss per share from continuing ordinary activities, these are anti-dilutive in nature and thus the effects of anti-dilutive potential equity shares are ignored in calculating diluted earning per share.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH 2016

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members

Naukri Internet Services Limited

We have conducted the secretarial audit of the compliance of the applicable statutory provisions and the adherence to good corporate practices by **Naukri Internet Services Limited** (hereinafter referred as "the Company"), having its Registered Office at **GF-12 A, 94, Meghdoot Building, Nehru Place, New Delhi - 110019**. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on **31st March, 2016**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2016 according to the provisions of:

- I. The Companies Act, 2013 ('the Act') and the rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- III. The shares of the company being in physical form, the company was not required to comply with The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder.
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings.
- V. The Company being an unlisted Company was not required to comply with any of the regulations and/ or guidelines as prescribed by the Securities and Exchange Board of India;
- VI. The Company has no identified principal business activity and accordingly no other laws are specifically applicable to the company.

We have also examined compliances with the applicable clauses of Secretarial Standards (SS-1 and SS-2) issued by the Institute of Company Secretaries of India and it was noted that the Company has complied with the same to the extent possible, however the stricter applicability of the Secretarial Standards is to be observed by the company.

We further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this audit since the same have been subject to review by the statutory financial auditor and other designated professionals.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the **following observations**:

1. ***The Composition of Board of Directors is not in compliance with Section 149 of the Companies Act 2013 as there is only one Independent Director on the Board of the Company. As a result thereof, Company could not constitute the Audit Committee under Section 177 and the Nomination & Remuneration Committee and under Section 178 of the Companies Act, 2013. The Company could also not hold the Meeting of Independent Directors required under Schedule IV to the said Act.***
2. ***The Company is yet to appoint Internal Auditor in accordance with Section 138 of the Companies Act 2013.***

We further report that

During the period under review, there is only one Independent director on the Board of the Company. Accordingly the Board of the directors of the company is not duly constituted due to lack of independent directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice(s) were given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance to all Directors and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings of the Board and Committees of the Board duly signed by the Chairman, all the decisions of the Board were unanimously passed and no dissenting views have been recorded.

As per the records, the Company has generally complied and filed all the forms, returns, documents and resolutions as were required to be filed under Companies Act 2013 with the Registrar of Companies and other authorities, however due care is required while complying with the provisions and formalities relating to the same.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has following specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc. referred to above:-

Independent Auditor's Report

TO THE MEMBERS OF NAUKRI INTERNET SERVICES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Naukri Internet Services Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016 and its loss and its cash flows for the year ended on that date.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Naukri Internet Services Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. Corporate Information

Naukri Internet Services Limited (the company) is a limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is a wholly owned subsidiary of Info Edge (India) Ltd.

2. Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

2.2 Investments

Long-term investments are carried at cost less provision for permanent diminution in value of such investments. Current investments are carried at lower of cost and fair value.

2.3 Revenue Recognition

The company has entered into an agreement with Info Edge (India) Ltd. dated 13th September 2005 whereby the management and day to day operations of the company will be done by Info Edge (India) limited and in lieu of that the company will be paid an annual license fee of ₹ 100,000/- as fee for usage of its domain name(s), trade mark(s) etc.

2.4 Taxes on Income

As a measure of prudence the Deferred Tax Assets (Net) in terms of Accounting Standard No. 22 specified in Companies (Accounting Standard) Rules, 2006 have not been recognized in the absence of their being virtual certainty supported by convincing evidence that sufficient future taxable income would be available against which such deferred tax assets could be realized

2.5 Earnings Per Share

The earnings considered in ascertaining the Company's EPS comprises the net profit after tax. The number of shares used in computing Basic & Diluted EPS is the weighted average number of shares outstanding at the end of the year.

2.6 Provisions and Contingencies

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.

2.7 Interest Income

Interest income is recognized on the time basis determined by the amount outstanding including the tax credits and the rate applicable and where no significant uncertainty as to measurability or collectibility exists.

2.8 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MAKESENSE TECHNOLOGIES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Makesense Technologies Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016 and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Makesense Technologies Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. General Information

Makesense Technologies Limited (the company) is a limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is a wholly owned subsidiary of Info Edge (India) Ltd.

2. Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

2.2 Tangible Assets

Fixed Assets are stated at cost of acquisition along with related taxes, duties and incidental expenses related to these assets.

2.3 Intangible Assets

Intangible assets represents various expenses incurred in developing the software and primarily includes the payments to software experts, salary of employees who contributed to software development, server/domain maintenance charges etc.

2.4 Taxes on Income

As a measure of prudence the Deferred Tax Assets (Net) in terms of Accounting Standard No. 22 specified in Companies (Accounting Standard) Rules, 2006 have not been recognized in the absence of their being virtual certainty supported by convincing evidence that sufficient future taxable income would be available against which such deferred tax assets could be realized.

2.5 Earnings Per Share

The earnings considered in ascertaining the Company's EPS comprises the net profit after tax and include the post tax effect of any extra ordinary items. The number of shares used in computing Basic EPS is the weighted average number of shares outstanding during the year.

2.6 Provisions and Contingencies

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.

2.7 Depreciation

Depreciation has been provided on fixed assets on straight line basis.

2.8 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

INDEPENDENT AUDITOR'S REPORT

To the Members of Startup Investments (Holding) Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Startup Investments (Holding) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016 and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014;
 - e) on the basis of the written representations received from the directors as on March 31, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) with respect to adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such control, refer to our separate report in '**Annexure B**'; and
 - g) With respect to the other matters to be included in Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company does not have any pending litigations which would impact its financial position.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Startup Investments (Holding) Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. Corporate Information

Startup Investments Holding Limited (the company) is a limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is a wholly owned subsidiary of Info Edge (India) Ltd.

2. Significant Accounting Policies**2.1 Basis of Preparation of Financial Statements**

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

2.2 Investments

Long-term investments are carried at cost less provision for permanent diminution in value of such investments. Current investments are carried at lower of cost and fair value.

2.3 Taxes on Income

As a measure of prudence the Deferred Tax Assets (Net) in terms of Accounting Standard No. 22 specified in Companies (Accounting Standard) Rules, 2006 have not been recognized in the absence of their being virtual certainty supported by convincing evidence that sufficient future taxable income would be available against which such deferred tax assets could be realized

2.4 Earnings Per Share

The earnings considered in ascertaining the Company's EPS comprises the net profit after tax. The number of shares used in computing Basic & Diluted EPS is the weighted average number of shares outstanding at the end of the year.

2.5 Provisions and Contingencies

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.

2.6 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

INDEPENDENT AUDITOR'S REPORT

To the Members of Smartweb Internet Services Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Smartweb Internet Services Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016 and its loss and its cash flows for the year ended on that date.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Smartweb Internet Services Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD FROM SEP 23, 2015 TO MAR 31, 2016

1. Corporate Information

Smartweb Internet Services Limited (the company) is a limited company domiciled in India and incorporated on September 23rd, 2015 under the provisions of the Companies Act, 1956. The company is a wholly owned subsidiary of Info Edge (India) Ltd.

2. Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

2.2 Investments

Long-term investments are carried at cost less provision for permanent diminution in value of such investments. Current investments are carried at lower of cost and fair value.

2.3 Taxes on Income

As a measure of prudence the Deferred Tax Assets (Net) in terms of Accounting Standard No. 22 specified in Companies (Accounting Standard) Rules, 2006 have not been recognized in the absence of their being virtual certainty supported by convincing evidence that sufficient future taxable income would be available against which such deferred tax assets could be realized

2.4 Earnings Per Share

The earnings considered in ascertaining the Company's EPS comprises the net profit after tax . The number of shares used in computing Basic & Diluted EPS is the weighted average number of shares outstanding at the end of the year.

2.5 Provisions and Contingencies

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.

2.6 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF ALLCHECKDEALS INDIA PRIVATE LIMITED

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Allcheckdeals India Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

Other Matter

9. The financial statements of the Company for the year ended March 31, 2015 were audited by another firm of chartered accountants under the Companies Act, 2013 who, vide their report dated May 29, 2015 expressed an unmodified opinion on those financial statements.

Our opinion is not qualified in respect of above matter.

Report on Other Legal and Regulatory Requirements

10. As required by 'the Companies (Auditor's Report) Order, 2016', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and on the basis of such checks of the books and records of the Company as we considered appropriate and the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 10(g) of the Independent Auditors' Report of even date to the members of Allcheckdeals Private Limited on the financial statements for the year ended March 31, 2016

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Allcheckdeals Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified opinion

8. According to the information and explanations given to us and based on our audit, material weaknesses have been identified in respect of internal control system relating to customer acceptance of the services rendered by the Company and maintenance of customer agreements in certain cases as at March 31, 2016.
9. A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

10. In our opinion, except for the possible effects of the material weaknesses described in the Basis for Qualified Opinion paragraph above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.
11. We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company for the year ended March 31, 2016, and these material weaknesses do not affect our opinion on the standalone financial statements of the Company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. General Information

Allcheckdeals India Private Limited (the 'Company') is a private limited company domiciled in India and incorporated under the Companies Act, 1956 (the 'Act') and is engaged in the business of providing services in relation to property bookings placed with builders / real estate developers.

2. Significant Accounting Policies**2.1 Basis of Preparation of Financial Statements**

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of services and the time between the rendering of service and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current non-current classification of assets and liabilities.

2.2 Fixed Assets

Tangible Assets are stated at cost of acquisition along with related taxes, duties and incidental expenses related to these assets, net of accumulated depreciation and accumulated impairment losses, if any.

Intangible assets are stated at their cost of acquisition, net of accumulated amortisation and accumulated impairment losses, if any.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the financial statements. Any expected loss is recognised immediately in the Statement of Profit and Loss.

Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

2.3 Depreciation and amortisation**Tangible Assets**

Depreciation is provided on a pro-rata basis on the straight line method over the estimated useful lives of assets, based on internal assessment and independent technical evaluation done by Management expert which are equal to, except in case of Plant and Machinery where useful life is lower than life prescribed under Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets

Asset	Estimated life (Years)
Plant & Machinery	10
Computers	3
Office Equipment	5

Assets costing less than or equal to ₹ 5,000 are fully depreciated @ 100% pro-rata from date of acquisition.

2.4 Impairment of Assets

Assessment is done at each balance sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each balance sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

2.5 Investments

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investment are made, are classified as current investments. All other investments are classified as long term investments. Current investments are carried at cost or fair value, whichever is lower. Long-term investments are carried at cost. However, provision for diminution is made to recognise a decline, other than temporary, in the value of investments, such reduction being determined and made for such investment individually.

2.6 Foreign Currency Transactions**Initial Recognition**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

Exchange differences on restatement of all other monetary items are recognized in the Statement of Profit and Loss.

2.7 Revenue Recognition

Commission income on property bookings placed with builders/developers is accrued once the related services have been rendered by the Company.

The income is shown net of service tax and is not recognized in instances where there is uncertainty with regard to ultimate collection. In such cases revenue is recognized on reasonable certainty of collection.

2.8 Employee Benefits

The Company has Defined Contribution plan for the post-employment benefits namely Provident Fund which is administered through the Regional Provident Fund Commissioner and the contributions towards such fund are charged to the Statement of Profit and Loss. The Company's contribution to state plans namely Employee State Insurance Fund are also charged to the Statement of Profit and Loss. The Company does not carry any further obligations with respect to these funds, apart from contributions made on a monthly basis.

The Company has Defined Benefit plan namely gratuity for eligible employees in accordance with the Payment of Gratuity Act, 1972 the liability for which is determined on the basis of an actuarial valuation (using the Projected Unit Credit method) at the end of each year. The Gratuity Fund is recognized by the income tax authorities and is administered through Life Insurance Corporation of India under its Group Gratuity Scheme.

Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss as income or expense.

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

Termination benefits are recognized as an expense immediately.

2.9 Employee Stock Option Based Compensation

Stock options granted to the employees who accepted the grant under the Company's Stock Option Plan are accounted in accordance with the Guidance Note on Accounting for Employee Share based payment issued by Institute of Chartered Accountants of India. The Company follows the intrinsic value method and accordingly, the excess, if any, of the fair value of the underlying equity shares as of the date of the grant of the option over the exercise price of the option, is recognized as employee compensation cost and amortized on straight line basis over the vesting period.

2.10 Taxes on Income

Tax expense for the year, comprising current tax, are included in the determination of the net profit or loss for the year. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognized and carried forward only to the extent there is a reasonable/virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. The carrying amount of deferred tax assets are reviewed at each Balance Sheet date.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

2.11 Provisions and Contingent Liabilities

Provisions are recognized when there is a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.12 Leases

a) Operating leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease payments under an operating leases are recognised as an expense in the Statement of Profit and Loss on a straight line basis over the period of lease.

b) Finance leases

Assets acquired on lease where the Company has substantially all the risks and rewards incident to ownership are classified as finance leases. Such assets are capitalized at the inception of the lease at lower of the fair value of the leased asset at the inception of the lease and the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease payment is apportioned between the finance charge and the reduction of the outstanding liability. The outstanding liabilities included in other long term borrowings. The finance charge is charged to the Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

2.13 Cash and cash equivalents

In the cash flow statement, cash and cash equivalents include cash in hand and demand deposits with bank with original maturities of three months or less.

2.14 Earnings Per Share (EPS)

Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's EPS comprises of the net profit for the year after tax. The number of equity shares used in computing Basic EPS is the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year and for the previous year is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholder and weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

2.15 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

JEEVANSATHI INTERNET SERVICES PRIVATE LIMITED

INDEPENDENT AUDITOR'S REPORT

To the Members of Jeevansathi Internet Services Private Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Jeevansathi Internet Services Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Jeevansathi Internet Services Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. General Information

Jeevansathi Internet Services Private Limited (the company) is a private limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is a wholly owned subsidiary of Info Edge (India) Ltd.

2. Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

2.2 Fixed Assets

Fixed Assets are stated at cost of acquisition along with related taxes, duties and incidental expenses related to these assets.

2.3 Revenue Recognition

The company has entered into an agreement with Info Edge (India) Ltd. dated 13th September 2005 whereby the management and day to day operations of the company will be done by Info Edge (India) limited and in lieu of that the company will be paid an annual license fee of ₹ 100,000/- as fee for usage of its domain name(s), trade mark(s) etc.

2.4 Taxes on Income

As a measure of prudence the Deferred Tax Assets (Net) in terms of Accounting Standard No. 22 specified in Companies (Accounting Standard) Rules, 2006 have not been recognized in the absence of their being virtual certainty supported by convincing evidence that sufficient future taxable income would be available against which such deferred tax assets could be realized.

2.5 Earnings Per Share

The earnings considered in ascertaining the Company's EPS comprises the net profit after tax and include the post tax effect of any extra ordinary items. The number of shares used in computing Basic EPS is the weighted average number of shares outstanding during the year.

2.6 Provisions and Contingencies

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.

2.7 Depreciation

Depreciation has been provided on fixed assets on written down value method as per the rates prescribed in Schedule XIV of the Companies Act, 1956 on pro-rata basis.

2.8 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

INDEPENDENT AUDITOR'S REPORT

To the Members of Interactive Visual Solutions Private Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Interactive Visual Solutions Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016 and its loss and its cash flows for the year ended on that date.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Interactive Visual Solutions Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. Corporate Information

Interactive Visual Solutions Private Limited (the company) is a private limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is a wholly owned subsidiary of Allcheckdeals India Pvt. Ltd.

2. Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

2.2 Tangible Assets

Fixed Assets are stated at cost of acquisition along with related taxes, duties and incidental expenses related to these assets.

2.3 Intangible Assets

Intangible assets represents various expenses incurred in developing the software and primarily includes the payments to software experts, salary of employees who contributed to software development, server/domain maintenance charges etc.

2.4 Taxes on Income

As a measure of prudence the Deferred Tax Assets (Net) in terms of Accounting Standard No. 22 specified in Companies (Accounting Standard) Rules, 2006 have not been recognized in the absence of their being virtual certainty supported by convincing evidence that sufficient future taxable income would be available against which such deferred tax assets could be realized.

2.5 Earnings Per Share

The earnings considered in ascertaining the Company's EPS comprises the net profit after tax and include the post tax effect of any extra ordinary items. The number of shares used in computing Basic EPS is the weighted average number of shares outstanding during the year.

2.6 Provisions and Contingencies

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.

2.7 Depreciation

Depreciation has been provided on fixed assets on straight line basis.

2.8 Revenue Recognition

The Company follows the mercantile system of accounting and recognizes revenue/income, cost/expenditure on accrual basis except in the case of significant uncertainties.

2.9 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

INDEPENDENT AUDITOR'S REPORT

To the Members of Startup Internet Services Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Startup Internet Services Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016 and its loss and its cash flows for the year ended on that date.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Startup Internet Services Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD FROM OCT 05, 2015 TO MAR 31, 2016

1. Corporate Information

Startup Internet Services Limited (the company) is a limited company domiciled in India and incorporated on October 05th, 2015 under the provisions of the Companies Act, 1956. The company is a wholly owned subsidiary of Info Edge (India) Ltd.

2. Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rule, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

2.2 Investments

Long-term investments are carried at cost less provision for permanent diminution in value of such investments. Current investments are carried at lower of cost and fair value.

2.3 Fixed Assets

Fixed Assets are stated at cost of acquisition along with related taxes, duties and incidental expenses related to these assets.

2.4 Taxes on Income

As a measure of prudence the Deferred Tax Assets (Net) in terms of Accounting Standard No. 22 specified in Companies (Accounting Standard) Rules, 2006 have not been recognized in the absence of their being virtual certainty supported by convincing evidence that sufficient future taxable income would be available against which such deferred tax assets could be realized

2.5 Earnings Per Share

The earnings considered in ascertaining the Company's EPS comprises the net profit after tax. The number of shares used in computing Basic & Diluted EPS is the weighted average number of shares outstanding at the end of the year.

2.6 Provisions and Contingencies

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.

2.7 Depreciation

Depreciation has been provided on fixed assets on written down value method as per the rates prescribed in Schedule XIV of the Companies Act, 1956 on pro-rata basis.

2.8 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in India requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.
