

PRESS RELEASE

For immediate release:

Property prices in the Bangalore region remained flat with a minor 4% increase in Q1-11 over Q1-10

Bangalore, xx July, 2011: A study by 99acres.com, India's no 1 real estate portal revealed that the property price trends for the Bangalore region has seen some improvement if we compare per square feet prices(PSF) of Q1-11 over Q1-10.

Commenting on the same Vineet Singh, Business Head, 99acres.com said "Bangalore market continues to witness a slightly lacklustre trend with prices increase by just 4% over the last twelve months. However it looks to be a good end user as well as an investor market because prices have bottomed out. There are many new launches that are scheduled hence property will be available to users at an attractive price range. It is a good time for those investors who are looking at a four to five years time horizon "
