Sub: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015

Dear Sir/ Madam,

This is to inform you that the following websites of the Company were reported to be down late evening of July 10, 2018 and facing connectivity issues due to technical reasons.

- 99acres.com;
- shiksha.com;
- jeevansathi.com;
- naukrigulf.com

However, as we report, all these sites are up again & running.

The reason for such outage of the aforesaid websites seems to be hardware failure at the third party data centre where our servers are co-located. We are investigating the matter to find out the exact & detailed reasons for this outage.

We are not expecting any material impact on the overall business of the Company.

We will keep the Exchanges posted on further developments, if any, in the matter.

This is for your information and records.

Thanking You.

Yours faithfully,
For **Info Edge (India) Ltd.**
