

Info Edge (India) Limited

India's internet classifieds company

June , 2021

Disclaimer

By attending the meeting/telephonic call where this presentation is made, you agree to be bound by the trailing restrictions regarding the information disclosed in this presentation. This presentation has been prepared by Info Edge (India) Limited (the “**Company**”) solely for information purposes without any regard to any specific objectives, financial situations or information needs of any particular person and does not constitute a recommendation regarding the securities of the Company.

This presentation, its contents and any oral information provided in connection with this presentation are strictly confidential and should not be copied, published or reproduced in any form or distributed, disseminated or disclosed, in whole or part, by recipients directly or indirectly to any other person. Failure to comply with this restriction may constitute a violation of applicable securities laws.

This presentation contains certain statements that are or may be forward-looking statements. These statements include descriptions regarding the intent, belief or current expectations of the Company or its directors and officers with respect to the results of operations and financial condition of the Company. These statements can be recognized by the use of words such as “expects,” “plans,” “will,” “estimates,” “projects,” or other words of similar meaning. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those in such forward-looking statements as a result of various factors and assumptions which the Company believes to be reasonable in light of its operating experience in recent years. The risks and uncertainties relating to these statements include, but not limited to, risks and uncertainties, regarding fluctuations in earnings, our ability to manage growth and competition, among others. The Company does not undertake any obligation to revise or update any forward-looking statement that may be made from time to time by or on behalf of the Company. Any investment in securities issued by the Company will also involve certain risks. There may be additional material risks that are currently not considered to be material or of which the Company, its promoters, any placement agent, their respective advisers or representatives are unaware. Against the background of these risks, uncertainties and other factors, viewers of this presentation are cautioned not to place undue reliance on these forward-looking statements. The Company, its promoters, any placement agent, their respective advisers or representatives assume no responsibility to update forward-looking statements or to adapt them to future events or developments. Accordingly, any reliance you place on such forward-looking statements will be at your sole risk.

The information contained in this presentation has not been independently verified. The information in this presentation is in summary form and does not purport to be complete. No representation, warranty, guarantee or undertaking, express or implied, is or will be made as to, and no reliance should be placed on, the accuracy, completeness, correctness or fairness of the information, estimates, projections and opinions contained in this presentation. Potential investors must make their own assessment of the relevance, accuracy and adequacy of the information contained in this presentation and must make such independent investigation as they may consider necessary or appropriate for such purpose. Such information and opinions are in all events not current after the date of this presentation. Further, past performance of the Company is not necessarily indicative of its future results. Any opinions expressed in this presentation or the contents of this presentation are subject to change without notice. This presentation should not be construed as legal, tax, investment or other advice. Neither the Company or its promoters, nor any placement agent or their respective advisers or representatives shall have any responsibility or liability whatsoever (for negligence or otherwise) for any loss howsoever arising from this presentation or its contents or otherwise arising in connection therewith. The information set out herein may be subject to updating, completion, revision, verification and amendment and such information may change materially. Neither the Company, its promoters, any placement agent, nor any of their respective advisers or representatives is under any obligation to update or keep current the information contained herein.

This presentation does not constitute or form part of and should not be construed as, directly or indirectly, any advertisement, offer or invitation or inducement to sell or issue, or any solicitation of any offer to purchase or subscribe for, any securities of the Company by any person whether by way of private placement or to the public, in any jurisdiction, including in India, the United States, Australia, Canada or Japan, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied on in connection with, any investment decision or any contract or commitment therefor. Investing in securities involves certain risks and potential investors should note that the value of the securities may go down or up. Accordingly, potential investors should obtain and must conduct their own investigation and analysis of the relevant information carefully before investing.

Securities of the Company may not be offered or sold in the United States, except pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements under the United States Securities Act of 1933, as amended (the “**Securities Act**”). By reviewing this presentation, you are deemed to have represented and agreed that you and any person you represent are not a U.S. person (as defined in Regulation S under the Securities Act) and are outside of the United States and not acting for the account or benefit of a U.S. person.

This presentation is not a prospectus, a statement in lieu of a prospectus, an offering circular, an advertisement or an offer document under the Companies Act, 2013, the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, each as amended, or any other applicable law in India.

This presentation contains the Company’s audited financial information as at and for the financial year ending March 31, 2020 and as at and for the month ended Jun 30, 2020. Investors should be aware that such financial information may be subject to certain adjustments during the course of audit/review and the audited/reviewed financial statements of the Company, when announced, may differ from those contained in this presentation.

In this presentation:

- All figures mentioned are for the Company as a standalone entity and are as of Dec 31, 2020 or for the quarter ended Dec 31, 2020, unless indicated otherwise.
- Q4 FY21 or Q4 FY 20-21 means the period commencing on January 01, 2021 and ending on March 31, 2021.
- FY21 or FY 20-21 or FY 2021 means the Financial Year starting April 1, 2020 and ending March 31, 2021.
- 1 Crore = 10 Million = 100 Lakh.

POSITIVES

Good water facility, transportation is very good, all works good, living conditions are good , metro station is nearby and buses are available per 10 minutes.

Support for various commercial properties & pre-leased options

Jeevansathi

Online matchmaking in India and the Jeevansathi Business Model

Online matchmaking is a large opportunity in India with the organized industry doing a topline of Rs. 7-8 billion

Jeevansathi has a subscription-based platform to connect prospects for the purpose of matrimony

Platform offers much higher scale and choice in matchmaking compared to traditional reference networks

User experience and matching is customized based on demographic and geographic preferences

Jeevansathi leads innovation

Jeevansathi launched these industry-first features and continues to be the leader in offering the best user experience

Jeevansathi's strengths

Leadership in the North markets

- Growth supported by faster internet user growth in the North
- Solid understanding of tier 2/3 cities leading to much higher growth rates in these markets

Capital Efficient Business

- Highest sales productivity in the industry achieved through tech-led sales processes
- Highest EBITDA margins (Excl. marketing) indicates efficient operations while the business makes marketing investments for future growth

Innovation-led Product

- Industry leading features launched in the last couple of years to maintain product leadership
- Sophisticated recommendation engine based on millions of daily interactions on the platform

High App Usage

- 90%+ of user traffic and time spent is on Android & iOS apps
- Such high adoption of apps indicates user stickiness and helps increase time spent on the platform and active user base

Jeevansathi – Quarterly financials

Jeevansathi cumulative cash loss (management estimate) at Rs 2353 MN. Above numbers are segmental financials for JS business.

- FY18 onwards numbers are EBITDA numbers (adjusted for non-cash ESOP charges) as per IND-AS; All others in I GAAP
- FY20 onwards EBITDA numbers includes the impact of IND AS 116.
